Garrison Diversion Fills Accounting Position

CARRINGTON, ND (January 31, 2018) – The Garrison Diversion Conservancy District (Garrison Diversion) hired Annie Howard to fill the open Accountant position at the Carrington office. Annie will oversee accounts payable and receivables and process the payroll for the district.

Annie was born and raised on a ranch in Minnewauken and received her bachelor's degree in Business Administration from Minot State University. She comes to Garrison Diversion with an extensive background in business management and will be an asset to the accounting department.

“We are thankful to have Annie on board at the office,” says Duane DeKrey. “Her strong business background after working with multiple agencies in various capacities will largely benefit Garrison Diversion.”

Annie commutes from Sheyenne, where she also serves on the Sheyenne Water Board.
