

**GARRISON DIVERSION CONSERVANCY DISTRICT**

**RECREATION COMMITTEE**

**Garrison Diversion Conservancy District  
Carrington, North Dakota**

**March 20, 2024**

A meeting of the Garrison Diversion Conservancy District's Recreation Committee was held at the Garrison Diversion Conservancy District, Carrington, North Dakota, on March 20, 2024. The meeting was called to order by Chairman Kassian at 9:30 a.m.

**DIRECTORS PRESENT**

Board Chairman Alan Walter  
Committee Chairman Larry Kassian  
Director Richard Cayko (by video conference)  
Director David Johnson  
Director Bruce Klein  
Director Steve Metzger  
Secretary Merri Mooridian

**OTHERS PRESENT**

Garrison Diversion staff and others were in attendance. A copy of the registration sheet is attached to these minutes as Annex I.

The meeting was recorded to assist with compilation of the minutes.

**READING OF THE MINUTES**

**Motion by Director Klein to dispense with a reading of the September 20, 2023, Recreation Committee minutes and approve them as distributed. Second by Director Metzger. Upon voice vote, motion carried.**

**CURRENT FUNDING AND PROJECT REVIEW**

Merri Mooridian, Secretary, reviewed the list of current projects. The amount expended toward recreation projects in 2024 is \$122,684. The total for all projects approved and outstanding as of the end of February was \$2,251,611. The balance remaining to be expended on outstanding projects is \$1,874,227. A copy of the table showing current projects is attached to these minutes as Annex II.

**EXPIRING PROJECTS**

Ms. Mooridian reported the following recreation projects are approaching the three-year deadline to expend grant funds:

**Burleigh County Commission** - - Burleigh County Commission was awarded \$6,000 in April 2021 to purchase and install a picnic shelter at Steckel Landing in Wilton. To date, none of these funds have been expended. Correspondence has been sent to the county commission, but no response was received; therefore, the funds will be returned to the recreation grant program.

**Oakes Parks & Recreation** - - A recreation grant was awarded in the amount of \$7,520 in April 2021 to Oakes Parks & Recreation for playground equipment at West Side Park. To date, none of the funding has been expended. Correspondence has been sent to Oakes Parks & Recreation, but no reply has been received; therefore, the funds will be returned to the recreation grant program

**Riverdale Park Board** - - Riverdale Park Board was awarded \$1,500 in April 2021 to purchase and install a gazebo and picnic tables at Lake Side Park. To date, no funding has been expended on the project. Correspondence has been sent to the park board, but no reply has been received; therefore, the funds will be returned to the recreation grant program.

**Pierce County Park Board** - - The Pierce County Park Board was awarded \$3,250 in April 2021 for construction of new campsites and amenities at the Buffalo Lake Recreation Area in Esmond. To date, \$1,930.06 has been expended toward the project leaving a balance of \$1,319.94 . Correspondence has been sent to the park board with no reply received; therefore, the remaining balance will be returned to the recreation grant program.

**Stutsman County Park Board** - - The Stutsman Park Board was awarded funding in the amount of \$3,113 in April 2021 to purchase park benches and swing sets for the Jamestown Reservoir. To date no funding has been expended on this project. Correspondence was sent to the park board with no reply received; therefore, the funds will be returned to the recreation grant program.

**Williams County Parks** - - Williams County Parks was awarded funding in the amount of \$17,500 in April 2021 for a vault toilet at McGregor Dam. To date, no funding has been expended on this project. Correspondence was sent to the park board with no reply received; therefore, the funds will be returned to the recreation grant program.

**Abercrombie City Park Board** - - The Abercrombie City Park Board was awarded \$34,682 in April 2021 for improvements at the city park, including a splash pad, playground equipment and ADA compliance for picnic tables and bathrooms. To date no funding has been expended on this project. Correspondence was sent to the park board, and a request was received for a one-year extension. This is due to a much later start date on the project than anticipated because of COVID and shipping issues, as well as contractor delays.

**City of Colgate** - - The City of Colgate was awarded funding of \$6,250 in April 2021 to purchase and install a picnic shelter, tables and playground equipment at the city park. To date, no funding has been expended on this project. Correspondence was sent to the city, and their reply indicated the city has not had the manpower to complete the job but have plans to complete the project this year. They are requesting a one-year extension on the project deadline.

**Motion by Director Johnson to extend the project deadlines for the Abercrombie City Park Board and for the City of Colgate to July 31, 2025. Second by Director Walter. Upon voice vote, motion carried.**

**City of Tolna** - - The City of Tolna was awarded funding of \$21,933 in October 2018 for construction of a bathhouse, RV dump site and to purchase picnic tables for the city park. An amount of \$5,522.98 was recently paid to the city for this project. To date, the committee has approved three extensions on the project deadline.

Ms. Mooridian said a letter was sent to the city in February regarding the status of the project, and a reply was received from the city auditor yesterday by email, indicating there was a delay with the plumber and the project will be finished this spring.

Stacey Gussiaas, Administrative Assistant, Garrison Diversion, stated the city has not been very receptive to her requests for information. She requested a copy of a cancelled check from the city in December that was never received at our office.

Director Walter asked what amount of funding remains to be expended.

Ms. Gussiaas answered the total funds remaining for this project is \$16,410.

Chairman Kassian asked if it is possible the city has expended additional funds.

Ms. Gussiaas said an invoice was submitted for \$6,509.72, but as she stated, a copy of the cancelled check has not been received. The city could be eligible to receive 25 percent of that amount, which would be approximately \$1,630.

Ms. Mooridian said it is up to the committee how they wish to proceed.

**Motion by Director Cayko to allow the City of Tolna until April 15, 2024, to provide a copy of the cancelled check in the amount of \$6,509.72. This project will be closed out with the remaining unexpended funds returned to the recreation grant program. Second by Director Walter. Upon roll call vote, the following directors voted aye: Cayko, Johnson, Kassian, Metzger and Walter. Those voting nay: none. Motion carried.**

### **COMPLETED PROJECTS**

Ms. Mooridian referred to the completed projects table. As of December 2023, funding in the amount of \$8.1 million has been awarded for recreation projects since the program's inception.

Expenditures for the completed projects are \$7.4 million. A copy of the table is attached to these minutes as Annex III.

### **MATCHING RECREATION GRANT APPLICATION**

Chairman Kassian referred to the grant application form, which is included in the meeting packet. He asked if there were any questions regarding the application or changes to be made.

Ms. Mooridian said staff has no suggested changes to the application at this time.

### **REVIEW OF GRANT APPLICATIONS**

**Valley City Parks & Recreation District** - - Matt Brandvol and Hillary Flatt, representing Valley City Parks & Recreation District presented their request for funding in the amount of \$75,000 to replace playground equipment at the city park. The total estimated project cost is \$300,000. A copy of the grant application is attached to these minutes as Annex IV.

**Bottineau County Commission** - - Dan Fett, representing the Bottineau County Commission and Bottineau Winter Park, presented the county commission's request for \$75,000 in grant funding to purchase and install a new snow making system for the Bottineau Winter Park. The project will be done in a couple of phases. This summer they would like to purchase ten new snow guns and replace the underground water and electrical lines. The total estimated project cost is \$971,500. A copy of the grant application is attached to these minutes as Annex V.

**Bismarck Parks & Recreation District** - - Kevin Klipfel, Executive Director, Bismarck Parks & Recreation District, presented the district's request for grant funds in the amount of \$75,000 to assist with replacement of the existing turf grass at the Municipal Ballpark with artificial turf. The total estimated project cost is \$2,542,368. A copy of the grant application is attached to these minutes as Annex VI.

**Fargo Park District** - - Tony Schmitt, Park Director, Fargo Park District, presented the park board's request for \$75,000 in grant funds to install new playground equipment with a farm-themed structure at Rheault Farm. The project also includes installing permanent concrete border, three shade shelter pads and benches. The total estimated project cost is \$439,500. A copy of the grant application is attached to these minutes as Annex VII.

**Dickey County Fair Board** - - Val Wagner, representing the Dickey County Fair Board, addressed the committee regarding the fair board's request for funds in the amount of \$34,996 to construct a community recreation center for year-round, multipurpose use at the fairgrounds in Ellendale. The total estimated project cost is \$139,985. A copy of the grant application is attached to these minutes as Annex VIII.

**Grand Forks Park District** - - Lief Larsen, Senior Accountant, and Steve Hell, Parks Operations Manager, Grand Forks Park District, presented the park district's request for funding assistance in the amount of \$75,000 for Grand Valley Development Park, which is a new park to be established in south Grand Forks. Plans include bike paths, a playground,

family games, a community room, landscaping features, a parking lot and sidewalks. The first phase of construction consists of a state-of-the-art playground, and the funding from Garrison Diversion would be used for playground equipment. The total estimated project cost is \$400,000. A copy of the grant application is attached to these minutes as Annex IX.

**City of Grand Forks** - - Kim Greendahl, Greenway Specialist, presented the city's request for \$119,695 in grant funds for the development of the Greenway Fishing Enhancement Project. The proposed project includes extending the existing paved trail south of 47<sup>th</sup> Avenue South, clearing trees around the fishing site, adding benches, trash cans and a kiosk. The total estimated project cost is \$478,779. Under the 25 percent guidelines, the project would qualify for funding in the amount of \$75,000. A copy of the grant application is attached to these minutes as Annex X.

**Medina City Park** - - Scott Moser and Jeremy Schmidt, representing the Medina Park Board, presented the park board's request for grant funds of \$75,000 to build a multi-use community center to be located in the city park. The total estimated project cost is \$400,000. A copy of the grant application is attached to these minutes as Annex XI.

**Jamestown Parks & Recreation District** - - Amy Walters, Executive Director, Jamestown Parks & Recreation District, presented the park board's request for \$75,000 in grant funds to renovate the playground, picnic shelter, restroom, parking lot and pathways at Nickeus Park. The total estimated project cost is \$1,247,181. A grant has been secured from the state of North Dakota for 50% of the cost. A copy of the grant application is attached to these minutes as Annex XII.

**ND State Fair Association** - - Craig Rudland and Char Ratliff, representing the ND State Fair Association, presented the State Fair's request seeking grant funds in the amount of \$75,000 to construct an ADA accessible year-round playground area in West Park at the fairgrounds. The total estimated project cost is \$232,900. A copy of the grant application is attached to these minutes as Annex XIII.

**Wells County** - - Wanda Melchert, representing Wells County, presented the county's request for \$9,372 in funding to develop the park, including a comfort station, water hydrant, picnic tables and camping sites in Manfred. The total estimated project cost is \$37,488. A copy of the grant application is attached to these minutes as Annex XIV.

**Williston Parks & Recreation District** - - Joe Barsh, Executive Director, Williston Parks & Recreation District, presented the park board's request for recreation grant funds in the amount of \$27,688 for enhancements at its frisbee golf course at Spring Lake Park, including new restroom facilities, benches, baskets, junior holes, concrete pads, tee signs and landscaping. Total estimated project cost is \$110,751. A copy of the grant application is attached to these minutes as Annex XV.

**City of Maxbass** - - The City of Maxbass requests funding assistance of \$31,141 for a basketball court, pavilion and playground equipment at Maxbass Community Park. The total estimated project cost is \$124,565. A copy of the grant application is attached to these minutes as Annex XVI.

**Absaraka Parks** - - Absaraka Parks is seeking \$1,250 in funding to obtain a water source to the concession stand and bathroom facility for their parks and recreation program. The total estimated project cost is \$5,000. A copy of the grant application is attached to these minutes as Annex XVII.

**Marion Park Board** - - Marion Park Board requests funding assistance in the amount of \$9,068 to construct a handicapped accessible bathroom and install an outside drinking fountain at the Marion Community Park. The total estimated project cost is \$36,723. A copy of the grant application is attached to these minutes as Annex XVIII.

**LaMoure County Commission** - - The LaMoure County Commission requests \$3,500 in grant funds to install a vault toilet at Twin Lakes. The total estimated project cost is \$14,000. A copy of the grant application is attached to these minutes as Annex XIX.

**Anamoose Park Board** - - The Anamoose Park Board is requesting \$9,071 in grant funds to install swing sets at Anamoose Park. The total estimated project cost is \$36,283. A copy of the grant application is attached to these minutes as Annex XX.

**Turtle Lake Park District** - - The Turtle Lake Park District requests \$2,356 to purchase and install picnic tables at the Lake Brekken Recreation Area. The total estimated project cost is \$9,425. A copy of the grant application is attached to these minutes as Annex XXI.

**McLean County Commission** - - The McLean County Commission is requesting \$875 to install a new vault toilet at Sportsmens Centennial Park. The total estimated project cost is \$14,000. Funding in the amount of \$10,500 is being provided through a 75% cost share from the North Dakota Game & Fish Department. A copy of the grant application is attached to these minutes as Annex XXII.

**Mohall Park District** - - The Mohall Park District is seeking grant funds in the amount of \$37,500 to construct an outdoor adult recreation complex consisting of two pickleball and two bocce ball courts. The total estimated project cost is \$150,000. A copy of the grant application is attached to these minutes as Annex XXIII.

**City of Gwinner** - - The City of Gwinner has requested funds in the amount of \$10,500 to develop Hero's Park. The project consists of a pergola, fence removal, picnic tables and tree planting. The total estimated project cost is \$52,730. A copy of the grant application is attached to these minutes as Annex XXIV.

**City of Reynolds** - - The City of Reynolds is requesting \$31,846 to construct a new gazebo with ADA accessibility and lighting. The total estimated project cost is \$63,692. Under the 25 percent guidelines, the project would qualify for funding in the amount of \$15,923. A copy of the grant application is attached to these minutes as Annex XXV.

**Surrey Park District** - - The Surrey Park District is requesting \$11,125 to develop a pickleball court at Pony Tracks Park, including concrete, anchoring posts, net, painting and striping. The total estimated project cost is \$44,500. They have already purchased the net system for \$1,000, making that an ineligible component. Under the 25 percent guidelines, the project

would qualify for funding in the amount of \$10,875. A copy of the grant application is attached to these minutes as Annex XXVI.

**Williams Parks & Recreation District** - - Williston Parks & Recreation District is requesting funding of \$75,000 to be used for Phase III of the Coyote Clay Target League Range Project, which consists of a new skeet field and additional trap houses. The total estimated project cost is \$501,628. A copy of the grant application is attached to these minutes as Annex XXVII.

**Sunset Park District** - - The Sunset Park District requests \$5,000 in grant funds to purchase and install playground equipment for PreK Enhancement at Grenora Sunset Park. The total estimated project cost is \$20,000. A copy of the grant application is attached to these minutes as Annex XXVIII.

### **CONSIDERATION OF GRANT APPLICATIONS**

Ms. Mooridian reported the total amount of recreation funds available for spring and fall 2024 grant distributions is \$798,616. The total amount being requested by the 25 applicants today is \$959,115.

The committee further reviewed each of the grant applications and discussed various ways to allocate funding today and not go over the \$798,616, leaving some funds available for distribution to the fall round of applications.

Due to the amount of available funds, a suggestion was made, for this particular round of applications, to reduce all of those eligible to receive \$75,000 in funding to \$50,000 each.

The committee also discussed if the number of applications being received continues to increase in the future, along with larger project costs, whether the maximum eligible dollar amount should be decreased from \$75,000 to \$50,000.

#### **Denied Applications**

**Motion by Director Walter to refer the Absaraka Parks application requesting funds for a water source to the concession stand and bathroom facility to Garrison Diversion's Water Supply Assistance Grant Program. Second by Director Metzger. Upon roll call vote, the following directors voted aye: Cayko, Johnson, Kassian, Metzger and Walter. Those voting nay: none. Motion carried.**

**Motion by Director Walter to deny the funding application submitted by the City of Grand Forks for the Greenway Fishing Enhancement Project as submitted, encouraging the city to reapply and clarify public access and safety measures for the project. Second by Director Cayko. Upon roll call vote, the following directors voted aye: Cayko, Johnson, Kassian, Metzger and Walter. Those voting nay: none. Motion carried.**

Approved Applications

**Motion by Director Walter to reduce all of the projects eligible for \$75,000 in funding to \$50,000 each and approve a grand total of \$657,865 to be allocated to recreation grant program applicants as follows:**

Chairman Kassian expressed concern with decreasing the funding amount to \$50,000 for the City of Medina since it is a smaller community with limited funding resources, has seldom applied for recreation grant funding and only received a small amount of funds.

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$50,000 to Valley City for replacement of playground equipment at Valley City Park.**

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$50,000 to Bottineau County Commission to purchase and install a new snow making system for the Bottineau Winter Park.**

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$31,141 to the City of Maxbass for a basketball court, pavilion and playground equipment at Maxbass Community Park.**

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$50,000 to Bismarck Parks & Recreation District for replacement of the existing turf grass at the Municipal Ballpark with artificial turf.**

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$50,000 to the Fargo Park District to install new playground equipment with a farm-themed structure at Rheault Farm.**

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$34,996 to the Dickey County Fair Board to construct a multi-purpose community recreation center for year-round use at the fairgrounds in Ellendale.**

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$50,000 to the Grand Forks Park District to establish Grand Valley Development Park in south Grand Forks.**

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$9,068 to the Marion Park Board to construct a handicapped accessible bathroom and install an outside drinking fountain at the Marion Community Park.**

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$3,500 to LaMoure County to install a vault toilet at Twin Lakes.**

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$9,071 to the Anamoose Park Board to install swing sets at Anamoose Park.**

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$2,356 to Turtle Lake Part District to purchase and install picnic tables at the Lake Brekken Recreation Area.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$875 to McLean County Commission to install a new vault toilet at Sportsmens Centennial Park.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$37,500 to Mohall Park District to construct an outdoor adult recreation complex consisting of two pickleball and two bocce ball courts.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$10,500 to the City of Gwinner to develop Hero's Park, consisting of a pergola, fence removal, picnic tables and tree planting.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$50,000 to Medina Park Board to build a multi-use community center in the city park.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$50,000 to Jamestown Parks & Recreation District to renovate the playground, picnic shelter, restroom, parking lot and pathways at Nickeus Park.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$15,923 to the City of Reynolds to construct a new gazebo with ADA accessibility and lighting.

Up to 50 percent of the local, non-federal share of the eligible costs not to exceed \$50,000 to North Dakota State Fair Association to construct an ADA accessible year-round playground area in West Park at the fairgrounds.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$10,875 to Surrey Park District for development of a pickleball court at Pony Tracks Park, including concrete, anchoring posts, painting and striping.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$9,372 to Wells County Commission to develop Manfred Park, including a comfort station, water hydrant, picnic tables and camping sites.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$50,000 to Williston Parks & Recreation District to be used for Phase III of the Coyote Clay Target League Range Project, which consists of a new skeet field and additional trap houses.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$5,000 to Sunset Park District for playground equipment at Grenora Sunset Park.

**Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$27,688 to Williston Parks & Recreation District for enhancements at its frisbee golf course at Spring Lake Park, including new restroom facilities, benches, baskets, junior holes, concrete pads, tee signs and landscaping.**

**Second by Director Metzger. Upon roll call vote, the following directors voted aye: Cayko, Johnson, Klein, Metzger and Walter. Those voting nay: Kassian. Motion carried.**

**OTHER**

There being no further business to come before the committee, the meeting was adjourned at 12:15 p.m.

**(SEAL)**

<b>Address</b>	
<b>Phone</b>	<b>Email</b>
<b>Project Location</b> Bottineau Winter Park	

**Description of Project Features (if more space is required, please provide separate documentation)**

We can not depend on natural snow. We need 2 to 3 ft of snow base to groom and open the hills for skiing, snowboarding and tubing. This new snow making system would be an invaluable enhancement to the park. It will provide access to expanded terrain, allow us to get open 2 to 3 weeks earlier and stay open longer expanding outdoor recreational opportunities for over 26,000 users annually. We are also fully accessible to people with physical and mental disabilities and serve hundreds these guests at no cost through our adaptive program each year.

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
<b>Estimated Number of People Served</b>	26,000
<b>Total Estimated Project Cost</b> (Include volunteer/in-kind donations/work)	\$ 971,500.00
<b>Assistance Requested</b> (No more than 25% of project cost unless multi-county sponsored)	\$ 75,000.00
<b>Applicant's Contribution</b>	\$ 600,000.00
<b>Additional Sources of Funding</b>	
We are currently fundraising and have over \$300,000 in funding available for Phase I and Phase II of our project. With the matching funds we are currently at over \$600,000 of the \$971,500 need for this summer.

<b>PROJECT COST ESTIMATES</b> (Include volunteer/in-kind donations and labor)		
Item	Units	Estimated Cost
Snow Making Guns	10	\$321,500.00
10,500 ft of underground pipe, electrical, 30 hydrants & elect		\$650,000.00

**APPLICATION MUST INCLUDE THE FOLLOWING:**

1. Authorized signature of sponsoring agency
2. Resolution or minutes approving the project
3. City or county plat map of the proposed project location
4. Breakdown of estimated expenses

**QUESTIONS?**

Questions may be directed to the Garrison Diversion Conservancy District at 652-3194 or the District director from the applicant's county.

**READY TO SUBMIT?**

Mail completed application with required documentation to  
 Garrison Diversion Conservancy District, PO Box 140, Carrington, ND 58421 or email to [recreation@gdcd.org](mailto:recreation@gdcd.org)

Summer of 2024

Phase I: Ten new snowmaking fan guns - \$321,500

Phase II: 10,500 ft of new underground pipe & electrical lines + 30 new hydrants and electrical hookups - \$650,000

Summer of 2025

Phase III: New pumphouse, high pressure pumps w/ control system, wet well, intake system - \$450,000

Phase IV: Three new tower fan guns - \$170,000

We are asking that you help with Phase I the ten new fan guns but if one of the other phases is a better fit we are open to anything that works. We have up to \$1.45 million dollars in matching funds available from the ND Tourism Destination Development Grant. We are currently fundraising and have over \$300,000 in funding available for Phase I and Phase II of our project. With the matching funds we are currently at over \$600,000 of the \$971,500 need for this summer. If you approve our request your \$75,000 would be matched by the State bringing it to \$150,000. That would bring us to over \$750,000 leaving around \$200,000 to complete the first two phases this summer.

We can not depend on natural snow. We need 2 to 3 ft of snow base to groom and open the hills for skiing, snowboarding and tubing. This new snowmaking system would be an invaluable enhancement to the park. It will provide access to expanded terrain, allow us to get open 2 to 3 weeks earlier and stay open longer expanding outdoor recreational opportunities for over 26,000 users annually. We are also fully accessible to people with physical and mental disabilities and serve hundreds these guests at no cost through our adaptive program each year.

## Garrison Diversion Conservancy District Matching Recreation Grant Program

<b>Date of Application</b> 2-20-2024	<b>Project Name</b> Municipal Ballpark Master Plan Improvements
<b>Sponsoring Agency Name</b> Bismarck Parks and Recreation District	
<b>Authorized Representative/Title</b> Kevin Klipfel, Executive Director	
<b>Sponsoring Agency Address</b> 400 E. Front Avenue, Bismarck, ND 58504	
<b>Phone</b> 701-222-6455	<b>Email</b> kklipfel@bisparks.org
<b>Contact Name for Project</b> (If different than above)	
<b>Address</b>	
<b>Phone</b>	<b>Email</b>
<b>Project Location</b> 303 W. Front Avenue, Bismarck, ND 58504	

**Description of Project Features (if more space is required, please provide separate documentation)**

Bismarck Parks and Recreation District (BPRD) proposes to replace the existing turf grass at the Municipal Ballpark with artificial turf. The proposed artificial turf will immediately eliminate ongoing maintenance concerns such as bare spots, mud, and accessibility issues. In the long term, use of artificial turf will allow for a longer baseball season, as well as the ability to host community events without fear of ruining the playing surface. The synthetic surface will greatly minimize the operational needs at the Municipal Ballpark by eliminating the need to water, mow, spray and fertilize the existing turf grass, which also benefits the environment. This would allow for operational resources and time to be allocated to other facilities, which is especially needed in this workforce environment.

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
<b>Estimated Number of People Served</b>	25,000
<b>Total Estimated Project Cost</b> (include volunteer/in-kind donations/work)	\$ 2,542,368
<b>Assistance Requested</b> (No more than 25% of project cost unless multi-county sponsored)	\$ 75,000
<b>Applicant's Contribution</b>	\$ 1,467,368
<b>Additional Sources of Funding</b> BPRD has secured \$1,000,000 in funding through the Park System Grant Program from the ND Parks and Recreation Department.	

<b>Federal Funds Utilized</b> n/a
<b>Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.)</b> Municipal Ballpark currently has turf grass as its playing surface. The proposed project includes fine grading, improved drainage system, and the installation of synthetic turf.
<b>Annual Maintenance Budget</b> \$ Bismarck Parks and Recreation District total 2024 maintenance budget of 3.9 million.
<b>Maintenance Provided By</b> Bismarck Parks and Recreation District
<b>I Hereby certify that funds in the amount of \$ 1,467,368 are available for this project.</b>
<b>Authorized Signature of Sponsoring Agency</b> SIGN HERE 
<b>Printed Name/Title</b> Kevin Klipfel, Executive Director
<b>Date</b> 2-20-2024

## **DESCRIPTION OF PROJECT**

Rheault Farm is located on 15-acres and owned and operated by the Fargo Park District. The park features a picnic shelter, bunkhouse, playground, brick farmhouse, barn, granary, year-round restrooms, and a Quonset. Rheault Farm is home to a variety of festivals, events, rentals, and classes all year long. The house and barn were originally built in 1918-19 by owner Sanford Johnson with brick from the Fargo Brick Company. Ernest Rheault bought the farm in 1949 and his son George continued to farm the land until 1979 when it was acquired by the Fargo Park District. The Fargo Park District has identified the current playground structure as a needed replacement within the park district due to the age, use, condition, and the need to improve accessibility within the park. The existing playground was manufactured by Miracle Recreation and was installed at the farm in June of 1999. The new playground installation will improve play value, accessibility, and update the play equipment with a farmed-themed playground structure to match the surrounding park amenities of Rheault Farm. The current plastic border will be replaced with a permanent concrete border, and three shade shelter pad and benches will be installed to provide seating for park users.

## **JUSTIFICATION OF PROJECT**

Who it Serves:

- Population of Fargo, ND – 126,748 (2021)
- Surrounding Cities: West Fargo, Moorhead, Horace, etc.
- Playground Structure for ages 2-12
  
- Special Events:
  - Fall in Fargo – 10,000 over two weekends.
  - Santa Village- 12,000 over 11 days
  - Hello Spring - 2000
  - The Lab - 300
  - Yoga in the Park - 350
  - MS Program – 200
  - Adaptive Program - 150
  - Courts Plus Membership Event – 300
  - Picnic Shelter Rentals – 70 – 80 annually

## **DESCRIBE THE PROJECT SITE AS IS AND PROPOSED CHANGES**

No significant changes will occur as part of this project. The following will be constructed upon the existing footprint of the existing play area within Rheault Farm:

- The current playground structure will be replaced with modern play equipment and artificial turf surfacing.
- Accessibility to and from the playground will be improved.
- An upgraded concrete border will be poured with associated sidewalk.
- Six (6) Metal shade shelter benches and concrete slabs will also be installed as part of the project.

**PROJECT COST ESTIMATES**

<b>Item</b>	<b>Units</b>	<b>Esitmated Cost</b>
Remove Existing Playground Plastic Border	1 LS	\$3,000.00
Remove Existing Concrete Sidewalk	1 LS	\$500.00
Drainage	1 LS	\$10,000.00
4" Concrete Sidewalk with Thickened Edge	145 SY	\$25,000.00
Playground Structure 2 to 12 year old	1 LS	\$350,000.00
Metal Shade Structures	6 Ea	\$24,000.00
Finish Grade Seeding	1 LS	\$6,000.00
Earthwork	1 LS	\$6,000.00
Mobilization	1 LS	\$5,000.00
General Conditions	1 LS	\$10,000.00
	<b>Subtotal</b>	<b>\$439,500.00</b>

Mail completed application with required documentation to  
Garrison Diversion Conservancy District, PO Box 140, Carrington, ND 58421 or email to [recreation@gdcd.org](mailto:recreation@gdcd.org)

Ellendale, North Dakota, is the county seat of Dickey County, and the hub of a vibrant community of more than 4,900 current residents and recreation enthusiasts, as well as strong community-oriented, conservation-minded and results-driven youth and adult organizations that come together regularly to provide educational and recreational opportunities for everyone in the surrounding area. The goal of the Dickey County Community Rec Center is to provide ample space (indoor and out) that can be converted for many different uses, providing a universal recreation area for everyone to be able to enjoy.

The Dickey County Fairgrounds are located on the south side of Ellendale, making it easily accessible from US Highway 281. The location has served the area well, providing an opportunity for many different events to be held, including educational classes, emergency trainings, community meetings, local celebrations and opportunities for youth to explore career options, as well as showcase their hard work and achievements through volunteer programs.

The area is home to many different recreational opportunities, all that come together several times a year to provide a chance for people to celebrate the vast array of interests that are featured in this region. For instance, Ellendale is located in the heart of fishing and hunting country, where hundreds of people travel to try their luck at some of the best fishing places in the area, as well as some of the most prime hunting grounds in the state. The area is also located on the main north-south migratory bird flyway, making the region a host to a wide variety of birds that pass through during migration, or even those that make this region their year-round home. In fact, more than 100 species can be spotted in this area alone.

Currently the area proposed for the Community Rec Center hosts several regularly scheduled events, such as the Dickey County Fair, Maud Evans Saddle Club rodeo showcases, youth Eco-Ed and other conservation classes, as well as event hosted by the Dickey County Health District, to name a few. The vision for this project is to be able to provide a transformative space that would be conducive to many different types of educational, recreational and community events, while utilizing the funds that have been earmarked for the project in the most responsible and efficient way.

The project will include restrooms, as well as a sliding door, making the space transitional for indoor/outdoor use. The project will be a locally-led, collaborative effort involving many local contractors and workforce, making it a true community effort. Every effort will be put into making sure that the facility is maintenance-friendly, for all that may be interested in using it for a variety of reasons.

**Project Budget:**

Building	\$69,985.00
Concrete	20,000.00

<b>Electrical</b>	<b>5,000.00</b>
<b>Dirtwork/Equipment</b>	<b>7,500.00</b>
<b>Restroom/plumbing fit out</b>	<b>5,000.00</b>
<b>Insulation</b>	<b>5,000.00</b>
<b>Cooler</b>	<b>7,500.00</b>
<b>Total Project</b>	<b>\$119,985.00</b>

# PROPOSAL

Proposal Submitted to: <b>Dickey County Fair Board</b>	Phone:	Date: <b>02-09-24</b>
Address:	Job Description: <b>Recreation Center building</b>	
City, State, Zip <b>Ellendale, ND 58436</b>	Proposal Expiration: <b>30 days</b>	

We hereby submit specifications and estimates to:

Provide labor & material to construct Recreation Center building, according to drawing #101323-17, dated January 10, 2024, including:

- 5x6 treated posts as shown with concrete core pads
- 1 row treated 2x8 splash board
- 2x6 top ribbon
- Engineered mono style roof trusses with no ceiling load (no overhang)
- 2x4 wall girts, 2x4 roof purlins
- 29 gauge colored steel roof & wall sheathing
- All accessories to provide a minimum maintenance exterior including ridge cap, eave trim, rake & corner, j-channel, door post trim and bottom closure
- Sliding doors as shown on plan including covered track, large door pulls, door rollers, stay rollers, door bumpers
- 1 - 42" steel door, 2 - 36" steel doors, 2 - 36" hollow core wood doors, 1 - 48" x 36" sliding window
- Frame new 2 x 4/6 walls in bathroom areas (over owner supplied concrete slab)
- "Elephant skin" wall sheathing on interior of men's & women's bathroom walls & ceiling
- "Elephant skin" wall sheathing on "storage" side of common wall
- Caulk & paint new elephant skin
- 4" vinyl baseboard

Not included: Excavation/Fill, Concrete, Electrical, Plumbing or plumbing related fixtures (dispensers/countertops/bath stall material), Floor covering, Insulation package, Interior finish of main storage area, Building permit, Hanging of owner supplied mirrors & dispensers

**We Propose** to furnish all materials and/or labor --complete in accordance with above specifications for the sum of **\$69,985.00**. Prompt payments need to be made upon invoice as well as a 25% downpayment. A 1.75% late charge will be assessed on any unpaid balance due 30 days after final billing. Additional charges will apply for payments made with debit/credit card.

All work and materials are guaranteed to be as specified. Above cost is a **MAXIMUM** proposed amount for those specifications. Any alteration or deviation for above specifications involving extra costs will become an extra charge over and above the estimate.

Authorized Signature \_\_\_\_\_

**Acceptance of Proposal** -- The above prices, specifications, and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

<b>Project Location</b> 1450 - 69th Avenue South, Grand Forks, ND 58201	

**Description of Project Features (if more space is required, please provide separate documentation)**

The Grand Valley Development Park is a new park in South Grand Forks with construction expected to begin in the summer of 2024. Plans for the park include a wide arrangement of amenities including a parking lot, sidewalks and bike paths, a playground, family games, a community room and a variety of landscaping features. So far, funding of \$1 million has been secured for the overall park concept. The Grand Forks Park District is seeking a grant from the Garrison Diversion Conservancy District for the new playground which will be a standout feature of the brand new park. (See attached for further description of the project).

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
<b>Estimated Number of People Served</b>	65,000
<b>Total Estimated Project Cost</b> (Include volunteer/in-kind donations/work)	\$ 400,000
<b>Assistance Requested</b> (No more than 25% of project cost unless multi-county sponsored)	\$ 75,000
<b>Applicant's Contribution</b>	\$ 325,000
<b>Additional Sources of Funding</b>	
Funding for the overall park concept has been secured from a \$500,000- pledge from Crary Development, and a \$500,000- grant from the ND Parks & Recreation Department.	

<b>Federal Funds Utilized</b>	None
<b>Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.)</b>	The site is already prepared for development. No major environmental changes are needed.
<b>Annual Maintenance Budget</b>	\$ 5,000.00

## **Description of Grand Valley Playground Project**

Crary Development, in Grand Forks, ND has committed to a large housing development project in south Grand Forks. The concept includes a first phase of 119 residential lots, with a roughly 10 acre parcel for low density multi-family residential, a roughly 11 acre pond and roughly a 10 acre park. The park will be owned, operated and maintained by the Grand Forks Park District.

The premise of the development, since the beginning, has been to create a neighborhood that utilizes our environment and to create a year-round asset not only for the neighborhood but a destination for others in the community to come and enjoy. Plans for a warming house, or community room, along with an ice-skating loop would feature winter activity, while walking and biking trails, a family games area, unique landscaping and a playground would be featured in the summer months.

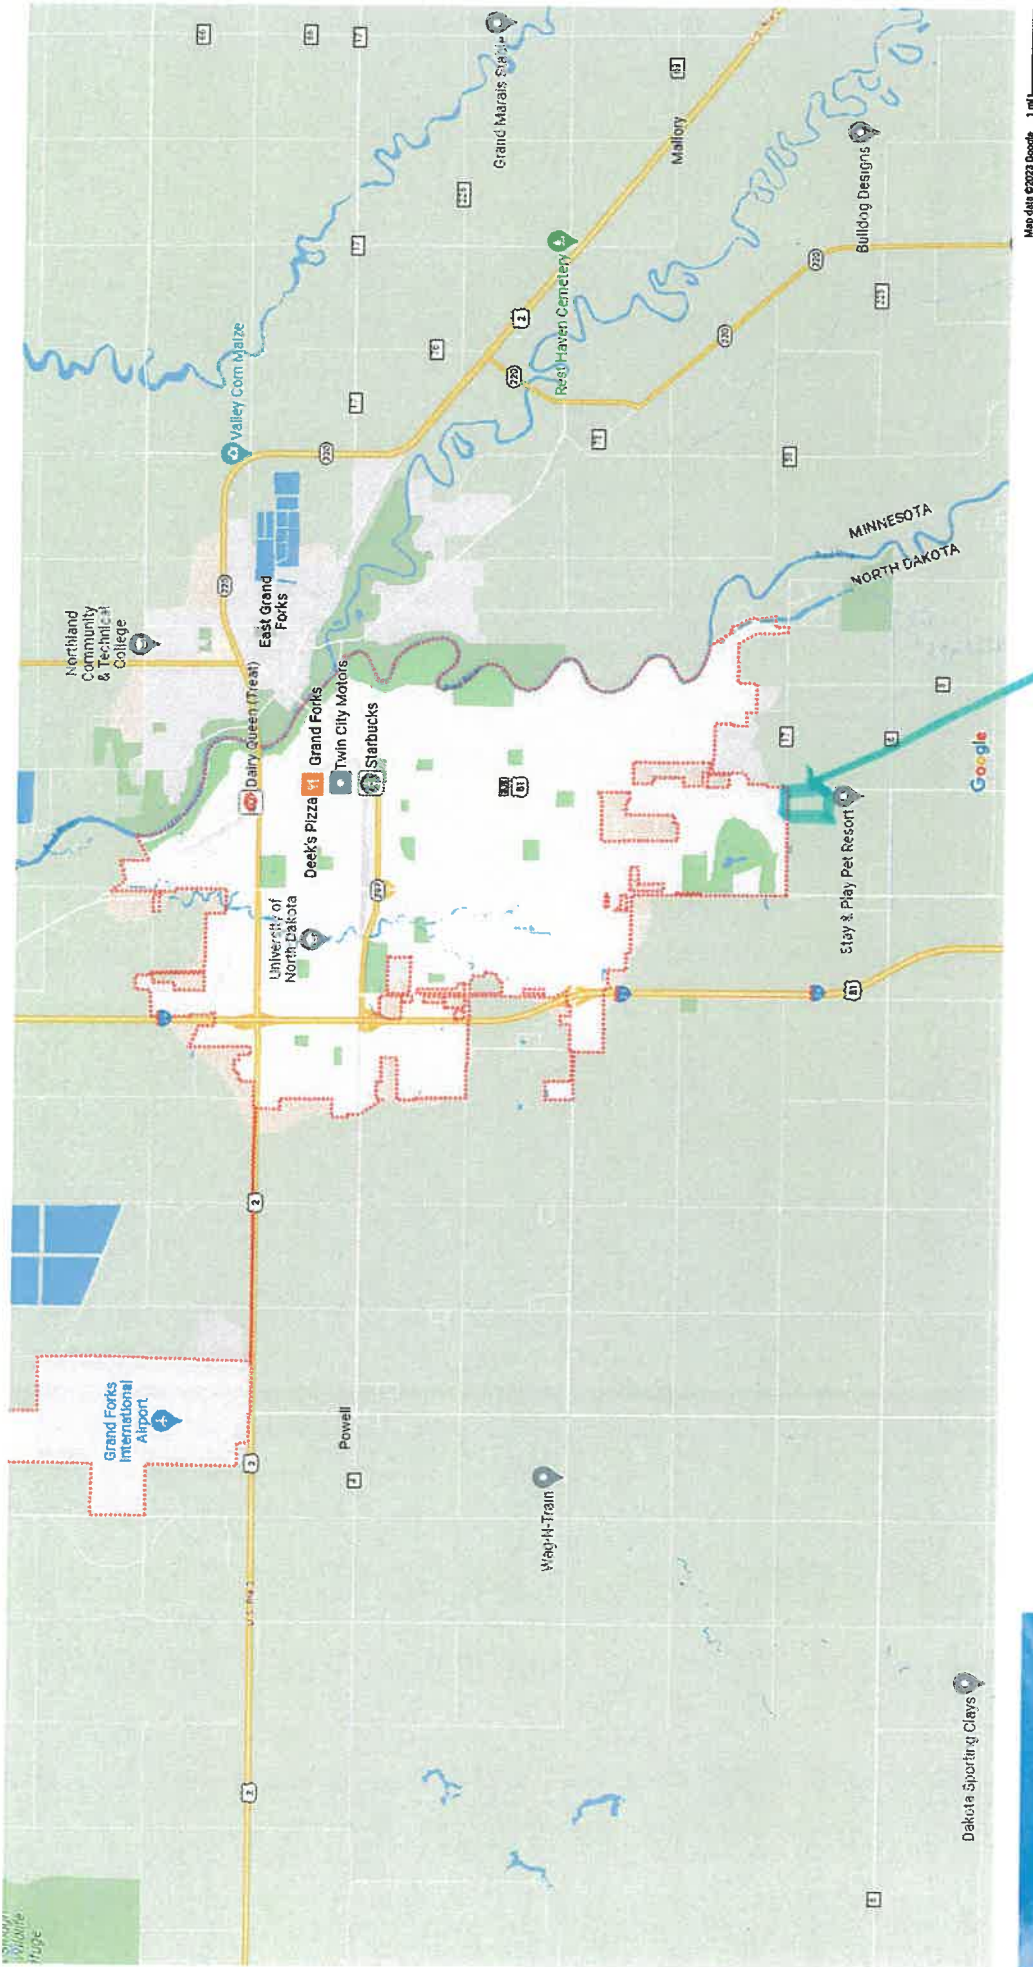

Initial commitments from Crary Development of a \$500,000 pledge to kickstart the park along with a \$500,000 grant from the North Dakota Parks and Recreation Department will go a long way to help in the initial phases of development. Plans for a parking lot, bike and walking paths, restrooms and landscaping are expected to be part of this first phase and use most of those funds.

The Grand Forks Park District would like to construct a new state of the art playground in this new park during the first phase of construction as well. The expected costs of the new playground are around \$400,000, and we are asking the Garrison Diversion Conservancy District for a 25% matching grant of \$75,000 for the new playground.

Maps for the location of the new park in Grand Forks, Grand Valley Development Plans, as well as drawings and estimates for the new playground have been included in this application.

## Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 2/29/2024	Project Name Greenway Fishing Enhancement Project
Sponsoring Agency Name City of Grand Forks	
Authorized Representative/Title Kim Greendahl, Greenway Specialist	
Sponsoring Agency Address 255 North 4th Street	
Phone 701-738-8746	Email kgreendahl@grandforksgov.com
Contact Name for Project (If different than above)	
Address	
Phone	Email
Project Location No physical address, Coordinates - 47.872522, -97.022991	

**Description of Project Features (if more space is required, please provide separate documentation)**

This project is located in an undeveloped area of the Greenway. The Greenway is 2,200 acres of open space between the flood protection system and Red River in Greater Grand Forks. In Grand Forks, the Greenway is over 7 1/2 miles long and features three parks connected by a paved shared-use path system. The proposed project includes extending the existing paved trail south from 47th Avenue South, clearing trees the area around the fishing site for accessibility, and adding benches, trash cans, and informational kiosk to the fishing area. This proposal aims to improve public access to public land, provide a safe and accessible fishing area for all users, and provide easier access for law enforcement and emergency responders.

**Justification of Project**

(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)

Estimated Number of People Served	1,000+, mostly 8 years old and up

Garrison Diversion Conservancy District, PO Box 140, Carrington, ND 58421 or email to [recreation@gdcd.org](mailto:recreation@gdcd.org)

**Garrison Diversion Conservancy District Matching Recreation Grant Program  
Application Attachment  
City of Grand Forks, ND  
Project: Fishing area in the Greenway  
February 28, 2024**

**Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.):**

The present condition is undeveloped land bordered by an earthen levee, homes, and the Red River. A storm pond is located in the middle of the property. The area adjacent to the river is heavily forested and will require some thinning. The fishing site is an ad hoc site with no amenities. The lack of paved surfaces limits law enforcement and emergency services from accessing the site during wet weather.

The first step will be to remove some trees along the outside edge of the wooded area. This will provide more space for a paved shared-use path from the existing greenway to the fishing area. Once the trees have been cleared away, an extension will be added to the height of the existing retaining wall at the fishing site. This retaining wall is part of the storm pond outfall at the fishing site. This is meant to increase the safety of all users, as the current wall was not built to have people in the area. Finally, the trail and fishing area will be paved, and user amenities will be installed. This area is subject to periodic flooding, and pavement will make the area more accessible for maintenance and rescue staff.

**PRELIMINARY OPINION OF COST**  
**Greenway Shared-Use Trail (2,230') & Fishing Area**  
**City of Grand Forks, North Dakota**

## THE GREENWAY

GRAND FORKS / EAST GRAND FORKS

The flood of 1997 dramatically altered the landscape of Grand Forks and East Grand Forks. More than 56,000 people were evacuated before waters of the Red and Red Lake Rivers crested at a record high level of 54 feet. Seventy-five percent of Grand Forks and ninety-five percent of East Grand Forks were inundated with water. The cities made national headlines as eleven of Grand Forks' downtown buildings burned. To ensure that Greater Grand Forks would be protected against future flooding, the US Army Corps of Engineers proposed the construction of a flood protection system, including a Greenway, along the Red and Red Lake rivers.

The Greenway provides a unique opportunity for year-round outdoor recreational activities in the Greater Grand Forks area. With approximately 2,200 acres of open space, vegetation, and recreational amenities, there's something for everyone in the Greenway.

**Garrison Diversion Conservancy District Matching Grant Program  
Jamestown Parks and Recreation District  
Nickeus Park “All Abilities” Playground**

**Description of Project**

This project will create an inclusive environment for the community, specifically individuals with disabilities, by renovating the playground, picnic shelter, restroom, parking area and pathways at Nickeus Park in Jamestown.

Nickeus Park is a flag ship park consisting of 6.77 acres in the Jamestown Parks and Recreation system. It is located at 7th Street and 1st Ave North in an elbow of the James River. The river surrounds the park on three sides of the property and includes mature landscape. This project will rehabilitate and replace the existing playground, picnic shelter, and restroom. In addition, it will create a designated off-road parking area and add paved pathways to the park.

Inclusive playground equipment is about ALL children having equal access to participate in play regardless of ability, age or comfort level. While children won't always be able to participate in every activity, the intent is to offer ALL children a variety of activities at varying levels of difficulty within the same place space. In addition to the playground, the park support features such as parking, shelter, and restrooms will also be fully accessible.

This renovation will create a destination and gathering space for the community. The playground is designed to help children have fun and develop age-appropriate skills that transcend the playground! Swings, slides, spinners, climbers, sensory, music, overheads and more bring so much play value to each of these exciting spaces. In addition to the playground the renovation will add a large picnic shelter at this location and a restroom to meet the needs of individuals with disabilities.

**Justification of Project**

Jamestown has an immense need for updated play equipment and accessible restroom facilities in our parks. When complete Nickeus Park will be the ONLY fully accessible outdoor facility within our system of parks. In addition to the renovated components of the park, Nickeus Park also includes a dock to access the waterway trail of the James River. The additional parking area will support and meet the needs of kayakers as they access the waterway.

**Integration Into Comprehensive Plan:** The current strategic plan identifies the need to update and maintain park playground equipment as a primary objective. A public input meeting was held on 5/24/2023 to discuss the state of parks and playgrounds in the community of Jamestown and to begin to form a vision for the future. The attendees shared their concerns regarding safety, lack of adequate restrooms, desire to make the parks inclusive for individuals with disabilities, need to update play equipment, concern for pedestrian and bicyclist safety.

This park renovation will provide equal access and the ability to participate for all community members. We will be able to ensure that everyone, regardless of abilities, can fully participate, engage, and enjoy the benefits of the outdoors and play in a safe and supportive environment. In addition, this will provide a space for the community to gather and provide an opportunity to enhance social skills, confidence, and emotional wellbeing through positive shared experiences.

This type of community amenity provides equal access and participation, physical and emotional development play, community integration and educational opportunities. In the short term, this renovation project will ensure that everyone, regardless of abilities, can fully participate, engage, and enjoy the benefits of outdoor play in a safe and supportive environment. Long term, this is an opportunity to foster social connections by removing barriers and creating a sense of belonging for all.

#### **Describe Project Site As Is and Proposed Changes**

The site consists of 6.77 acres of park land with a small aged shelter, outdated playground equipment and restrooms. There is no off-roadway parking and limited paved pathways to access the park features. The park contains mature landscape and a trail head for the James River Water Way/ Kayak dock that will not be impacted by the proposed project.

Mrs. Amy Walters  
JAMESTOWN PARKS AND RECREATION  
1002 2<sup>nd</sup> Avenue SE  
Jamestown, ND 58401

RE: Jamestown Parks and Rec  
Nickeus Park "All-Abilities" Playground  
Parking, Restroom and Shelter Proposal

Mrs. Walters,

At your request I have compiled a preliminary cost breakdown for the parking area, restroom and shelter for this project. Pricing includes all labor, materials and equipment needed to complete the work. Here is a description of the proposed work:

Parking area -

- Provide a parking area on the north edge of Nickeus Park as it borders 10<sup>th</sup> Street Northwest. The work consists of a handicap ramp with detectable warning panel at the existing sidewalk where it meets the street. An asphalt paving surface of approximately 1,920 square feet with curb and gutter on 3 sides will be added. A 6'-0" wide concrete sidewalk will run along the south side of the new parking area and will extend to the west to meet up with the existing sidewalk that runs through the park from the northwest corner to the south tip. The proposed parking area allows for two van accessible handicap parking spots and eight standard parking spots. All sitework related to the stripping of the soil, removal of trees as needed and patching into the street are included in this pricing.

The estimated cost for the parking area is \_\_\_\_\_ \$ 73,200.00

Restroom -

- Demolition of the existing restrooms is included in this pricing. The new restroom will be located in the same approximate

location. The new restroom will have concrete footings and concrete foundation walls with split faced masonry walls above grade. The building will be 10'-8" wide by 21'-4" long by 8'-0" tall and will have two handicap accessible bathrooms, a standard bathroom and a utility chase to service the bathrooms. The floors of the restroom will have sealed concrete, the walls will be painted block and the ceilings will have FRP finish. The pricing includes monies for the plumbing and electrical work as well.

The estimated cost of the restroom building is \_\_\_\_\_ \$ 174,700.00

Shelter –

- A 30'-0" wide by 42'-0" long by 11'-0" tall pre-engineered steel building structure with 3'-0" overhangs at the entire perimeter, a standing seam metal roof with gutters and downspouts will be located approximately 30'-0" south of the new restroom building. The floor of the shelter will be sealed concrete with a steel trowel finish. A new concrete sidewalk will be added on the north side of the shelter to connect it to the restroom, as well as a sidewalk extension in the southwest corner of the shelter to tie it into the existing sidewalk that runs throughout the park. This pricing allows for lighting under the structure as well as some convenience outlets.

The estimated cost of the shelter building is \_\_\_\_\_ \$ 168,400.00

If you have any questions regarding this pricing or need a further breakdown of costs, please contact me.

Sincerely,

David Hillerud  
Vice President

## Typed Application

**Garrison Diversion Conservancy District Matching Recreation Grant Program**

Date of Application February 28, 2024  
 Project Name Manfred Comfort Station and Park  
 Sponsoring Agency Name Wells County  
 Authorized Representative & Title Daniel W. Stutlien, Wells County Auditor  
 Sponsoring Agency Address 700 Railway St N #37, Fessenden ND 58438-7419  
 Phone 701-547-3521  
 Email [dstutlien@nd.gov](mailto:dstutlien@nd.gov)

Contact Name for Project Wanda Melchert  
 Address 130 S Lake Ave, Manfred ND 58341  
 Phone 701-870-4627  
 Email [wrmelchert@gmail.com](mailto:wrmelchert@gmail.com)

**Description of Project Features**

The Project of this grant is to develop a park in the historic village of Manfred in Wells County. The park will include a comfort station, water hydrant, and six picnic/camping sites. The comfort station will consist of a below ground septic chamber with a wood structure built over the chamber. The wood structure will have a center wall dividing the structure into two private toileting areas. A water hydrant will be installed at the required 10 or more feet from the comfort station and six picnic/camping sites will be established nearby.

The purpose of this project is to accommodate the needs of visitors to Manfred – “an authentic settlers’ community celebrating rural America.” This Wells County village was listed in the National Register of Historic Places in 2017. Manfred is situated along the south side of the James River and less than two miles south of the New Rockford Canal of the Garrison Diversion Conservancy District and the North Country Trail.

**Justification of Project**

- *Estimated Number of People Served:* 2,500 people
- *Age Categories Which May Benefit:* All ages may benefit. Tourist visitors to Manfred from across the USA include families of all ages. A Field Day for 4<sup>th</sup> Grade Students from the surrounding region is held in Manfred each year on the second Wednesday of September. Once the comfort station is in operation, it will also accommodate tour buses during their planned stops in Manfred.
- *Description of Integration into a Comprehensive Recreation Plan:* In keeping with the historic use of this site, the park will be located in an area that had at one time housed a picnic area for Manfred. This site is located in the central part of Manfred. The comfort station will be convenient for: visitors who are either doing a walking or driving tour of Manfred; tour buses can park right in front of the comfort station along the gravel roadway; and the comfort station will be convenient for students use when they are transitioning between learning stations on Manfred Field Day. One of the learning stations is Traditional Games where games such as gunny sack races and tug-of-war are played. There is a need for camping sites in the region and those who camp in Manfred will have the opportunity to do a walking tour of Manfred. There are six outdoor interpretive panel sites throughout Manfred to enjoy learning more about historic Manfred. The camping sites will come in handy for groups choosing to have a mini conference or family reunion in the setting of Manfred.

Justification of Project (cont.)

- Total Estimated Project Cost \$ 37,488.00  
Includes volunteer/In-kind donations/work
- Assistance Requested \$ 9,372.00  
(25% of project cost)
- Applicant’s Contribution currently available \$ 24,000.00
- Additional Sources of Funding – donations of \$20,000.00 during the two to three-year grant project are anticipated

Federal Funds Utilized: None

**Describe the Project Site as Is and Proposed Changes:**

The park will be located on level terrain that includes some existing trees; however, no trees will need to be removed. The Comfort Station will be built out of harms way of existing trees. The picnic/camping sites can be set in place on the existing terrain.

**Annual Maintenance Budget:**

Toilet paper \$100, Sanitizer \$50, Mower gasoline \$100, Septic Service \$250 = \$ 500.00 per year  
The Comfort Station will be checked regularly by volunteers for cleanliness, and a supply of paper and sanitizer supplies. The park grounds will be mowed and trimmed on a regular basis. The septic system chamber will be emptied yearly, or as needed, by a septic service.

**Maintenance Provided By:** Manfred Heritage Museum volunteers and donations

I Hereby certify that funds in the amount of \$ 24,000.00 are presently available for this project.  
Over the life of this two to three-year project, \$20,000.00 additional funds are anticipated to be available. Authorized Signature of Sponsoring Agency – see application for signature  
Printed Name/Title: Daniel W. Stutlien, Wells County Auditor  
Date: 2-27-24

**Project Cost Estimates (See attached estimates)**

Excavation and Supplies: Faul Excavation	\$ 9,890.50

Garrison Diversion Conservancy District Matching Recreation Grant Program  
Project Description

Project Goals: Frisbee Golf Course Enhancements

- New benches
- Junior holes
- Tee-boxes (concrete pads)
- Trail maintenance/course design
- Tee Signs
- Shrubbery/landscaping
- Costs = \$11,121.28
- In-kind value = \$11,504.27
- Total request = \$22,625.55

Frisbee Golf is a fast-paced growing phenomenon in the world of outdoor recreation in North Dakota. According to the local Frisbee Golf Community, Spring Lake Park currently offers one of the most dynamic frisbee golf experiences in the state and if allotted more resources, could function as a hub for Frisbee Golf events and regional attraction for larger tournament play. The first legitimate tournament was held in the spring of 2023 and brought in players from Sydney, Fairview & Watford City. To enhance the Course there is a need for concrete pads at every hole, replacement baskets, benches, new/alternate baskets for beginner play, new Tee signs & trail maintenance/appeal upgrades (Shrubbery, paving, signage, etc.) This course has a lot of potential, it's a beautiful vista, it really could be a regional destination. Quotes included address the known costs of the project.

Project Goals: New Restroom facilities at Spring Lake Park

- Cost: \$88,125

The restroom facilities at Spring lake park are in very poor condition. Community feedback has guided WPRD to place this aspect of the park restoration project at the top of the capital project list for WPRD. Increases in park usage and general wear and tear have resulted in a need for larger updated restroom facilities. The attached quotes for updated restroom facilities are the same as several units recently placed in several of the Williams County Parks. We are confident in their quality and ability to address our needs.

**TO AVOID PRODUCT NOT BEING AVAILABLE ON A LATER DATE  
PLEASE PICK UP ALL MERCHANDISE TODAY. THANK YOU.**

This is a quote valid today. Upon payment this quote becomes a yard picking list subject to the terms and conditions below. Quantities listed above may exceed quantities available for immediate pick-up. Product is not held for a specific guest, but instead is available to the buying public on a first come, first serve basis. Please pick up all purchases made on this picking list immediately. Failure to pick up products on this picking list today will result in additional charge to you if, on the day of pick up, the retail price of the products are higher than on the day purchased. Menards liability to you is limited to refunding your original purchase price for any product not picked up.

**Guest Instructions:**

1. Take this picking list to a cashier to pay for the merchandise.
2. Enter the outside yard to pick up your merchandise. (All vehicles are subject to inspection.)
3. Load your merchandise. (Menards Team Members will gladly help you load your materials but cannot be held liable for damage to your vehicle.)
4. When exiting the yard, present this list to the Gate Attendant. (The Gate Attendant will record the items you are taking with you.)
5. Sign the Gate Attendant's signature pad verifying you've received the merchandise.

PRE-TAX TOTAL: 285.01

Our insurance does not allow us to tie down or secure your load, trunk lid, etc. For your convenience, we supply twine, but you will have to decide whether or not your load is secure and if the twine supplied is strong enough. If you do not believe the twine will suffice, stronger material can be purchased inside the store.

**READ THE TERMS AND CONDITIONS CAREFULLY.** All returns are subject to Menards' posted return policy. In consideration for Menards low prices you agree that if any merchandise purchased by you is defective, Menards will agree to exchange the merchandise or refund the purchase price based on the form of original payment. You agree that there shall be no other remedy available to you. If there is a warranty provided by the manufacturer, that warranty shall govern your rights and Menards shall be selling the product "AS IS." Oral statements do not constitute warranties, and are not a part of this contract. The guest agrees to inspect all merchandise prior to installing or using it. **UNDER NO CIRCUMSTANCES SHALL MENARDS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES. MENARDS MAKES NO WARRANTIES, EXPRESS OR IMPLIED, AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF THE MERCHANDISE.** Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its applicable Consumer or Commercial Arbitration Rules, and judgments on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The guest agrees to these terms and conditions through purchase of merchandise contained on this document.

<b>Contact Name for Project</b> Phil Faught (If different than above)	
<b>Address</b> 10 Park Street, Absaraka, ND 58002	
<b>Phone</b> 701-866-1166	<b>Email</b> philfaught@gmail.com
<b>Project Location</b> Absaraka, ND	

**Description of Project Features (if more space is required, please provide separate documentation)**

Rural Water access to a concession stand and bathroom facility for a Parks and Rec program. Currently the concession stand uses a garden hose water solution from a private residence to provide water to the facility. We are seeking the money to obtain our own free standing water source to remove the burden from the private residence. This facility is used up to four times a week throughout the summer.

Justification of Project (Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
<b>Estimated Number of People Served</b>	300 - kids and adults who participate in the Parks programs and 4th of July event
<b>Total Estimated Project Cost</b> (Include volunteer/in-kind donations/work)	\$ 5,000
<b>Assistance Requested</b> (No more than 25% of project cost unless multi-county sponsored)	\$ 1,250
<b>Applicant's Contribution</b>	\$ 3,750
<b>Additional Sources of Funding</b> Fund raising efforts by the Absaraka Parks and Rec	

<b>Federal Funds Utilized</b> NA
<b>Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.)</b> Rural water will dig a curb stop and place an under ground meter. Volunteers will then bring the water line to the building.
<b>Annual Maintenance Budget</b> \$ Winterize building and monthly water fee.
<b>Maintenance Provided By</b> Parks and Rec volunteers
<b>I Hereby certify that funds in the amount of \$ 3,750 are available for this project.</b>
<b>Authorized Signature of Sponsoring Agency</b> SIGN HERE <i>Terri Monilaws</i>
<b>Printed Name/Title</b> Terri Monilaws
<b>Date</b> 2/27/2024

<b>PROJECT COST ESTIMATES</b> (Include volunteer/in-kind donations and labor)		
<b>Item</b>	<b>Units</b>	<b>Estimated Cost</b>
Cass Rural Water (Curb Stop and Meter)		3,000
Bruesch Contruction and Volunteers(water hookup/plumbing)		2,000

**APPLICATION MUST INCLUDE THE FOLLOWING:**

1. Authorized signature of sponsoring agency
2. Resolution or minutes approving the project
3. City or county plat map of the proposed project location
4. Breakdown of estimated expenses

**QUESTIONS?**

Questions may be directed to the Garrison Diversion Conservancy District at 652-3194 or the District director from the applicant's county.

**READY TO SUBMIT?**

## Garrison Diversion Conservancy District Matching Recreation Grant Program

<b>Date of Application</b> 2/22/24	<b>Project Name</b> Mohall Adult Recreation Complex
<b>Sponsoring Agency Name</b> Mohall Park District	
<b>Authorized Representative/Title</b> Cheryl Overby, Mohall Park District Clerk	
<b>Sponsoring Agency Address</b> 203 Main Street East, Mohall, ND 58761	
<b>Phone</b> 701-756-6464	<b>Email</b> cityhall@srt.com
<b>Contact Name for Project</b> (if different than above)	
<b>Address</b>	
<b>Phone</b>	<b>Email</b>
<b>Project Location</b> 103 1st Street NE, Mohall ND	

**Description of Project Features (if more space is required, please provide separate documentation)**

The Park Board is replacing the delapidated tennis court with a newly constructed outdoor Adult Recreation Complex to offer outdoor activities to adults. The complex will consist of two Pickleball courts and two Bocce Ball courts. This space will offer the adults in the Mohall and surrounding communities an opportunity to be outside and get exercise to maintain a healthy lifestyle. Both of these activities are very popular among adults. There is currently a fence around this 102'x122' complex that will only need wind protection slats, so the revitalization of this location is perfect for this type of complex.

<b>Justification of Project</b>	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
<b>Estimated Number of People Served</b>	This complex would draw people up to 50 mile radius. Estimated 500-1000 people
<b>Total Estimated Project Cost</b> (Include volunteer/in-kind donations/work)	\$ 150,000.00
<b>Assistance Requested</b> (No more than 25% of project cost unless multi-county sponsored)	\$ 37,500.00
<b>Applicant's Contribution</b>	\$ 112,500.00
<b>Additional Sources of Funding</b> Donations of \$2634 so far; fundraising; donations; grants.	

<b>Federal Funds Utilized</b> No
<b>Describe the Project Site As Is and Proposed Changes</b> (Tree Removal, Drainage Filled, Etc.) The site was originally a tennis court. The damaged asphalt will be removed completely. New concrete will be installed with Pickleball surface and wooden frame pads for Bocce Ball.
<b>Annual Maintenance Budget</b> \$ 500.00
<b>Maintenance Provided By</b> Mohall Park Board and park staff
<b>I Hereby certify that funds in the amount of \$ 10,000.00 are available for this project.</b>
<b>Authorized Signature of Sponsoring Agency</b>  <small>SIGN HERE</small>
<b>Printed Name/Title</b> Cheryl Overby, Mohall Park District Clerk

Mohall Park District PROPOSAL SUBMITTED TO	Attn: Robyn	PHONE	1-25-24 DATE
STREET		Pickleball Court JOB NAME	
Mohall, ND CITY, STATE AND ZIP CODE		JOB LOCATION	

We hereby submit specifications and estimates for:

All materials, labor and travel needed to install 470 linear feet of 10' tall privacy slats in existing chain link fence surrounding pickleball courts. Included in the price is the addition of ties top existing fence to help existing fence withstand additional wind & snow load due to privacy slats.

**TOTAL PRICE INSTALLED - \$16,000.00**

**TOTAL PRICE MATERIALS ONLY - \$7,600.00 + tax**

Notes/Exceptions:

- Price does not include clearing of fence line, dirt work, grading, price compaction/testing, staking, or survey. Responsibility of Owner.
- Price does not include Bond, add \$8.20/\$1,000.00 if needed.
- Priced for completion during 2024 Construction season.
- Electrical grounding is not included, by others.
- Additional charges will apply if a secondary sweep/locate is required.
- Hydro-vac excavation or core drilling of holes is not included.
- **Price does not include work during frozen weather conditions.**
- Dakota Fence is a member of PEC Veriforce, Avetta, ISNetworld, and Gold Shovel Standard.
- SD Excise tax is not included and will be the responsibility of the General. Certificate required if awarded to Dakota Fence.
- A copy of this proposal is to become part of any subsequent contract.

Terms of Payment to be made as follows: **50% down, material draw at 60% of contract value (less received 50% down), monthly progress billings, and balance upon completion, unless otherwise specified above, payment due upon receipt and subject to approved credit**

Purchaser agrees to indemnify and hold harmless Dakota Fence and its agents from and against any and all claims, liabilities and damages, including outside and in-house attorneys' fees and costs, arising from or related any failure to erect fence, guardrail, or other products on or within property lines; any failure to comply with by-laws, restrictive covenants, building codes or other restrictions; encroachment or interference with any easement; damage to any improvements, including underground sprinklers, utilities, including wires or pipes; frost heave; personal injury or death; removal of fence or products. Purchaser agrees that Dakota Fence's liability shall not exceed the amount paid to it under this Proposal. Dakota Fence shall not be liable for any direct, indirect, special, incidental, or consequential damages. Purchaser agrees to be responsible for excavated soil or Dakota Fence shall dispose of soil for an additional charge. All work to be completed according to standard industry practices. Any alteration or deviation from this proposal requires Dakota Fence's prior written consent and shall automatically become part of and subject to this Proposal. Any additional costs from any such change shall result in an extra charge, which Purchaser agrees to pay. Purchaser agrees to pay Dakota Fence's outside and in-house attorneys' fees and costs in the collection and enforcement of this Proposal. This Proposal contingent upon strikes, accidents or delays beyond Dakota Fence's control and supersedes all prior written or oral agreements. Purchaser agrees to carry all homeowner, liability and other necessary and required insurance. Dakota Fence's workers are fully covered by Workers Compensation Insurance or other required insurance. All fence or product remains the property of Dakota Fence until paid for by Purchaser and Purchaser authorizes Dakota Fence to remove the same and charge Purchaser for the fence or product and their removal if payment is not made per the terms of this Proposal. Purchaser agrees to pay 1.5% per month on all past due accounts. Any fence project that is considered custom or has special order materials is not returnable and therefore not fully refundable. A minimum of 25% restocking fee will apply with certain items being subject to higher restock fees as established from time to time by Dakota Fence.

Unless objected by the Purchaser, Dakota Fence shall place a lawn sign on the property for the duration of Dakota Fence's work.

Acceptance of Proposal. The above prices, specifications, terms, and conditions are satisfactory and accepted by Purchaser. Dakota Fence is authorized to do the work as specified and Purchaser agrees to make payment as outlined above.

By: Josh Duchscherer

**Proposal / Contract**

Robyn Larson  
Mohall, ND

**Project: Mohall Pickleball and Bocce Ball Budget Numbers**

Item Description	Total Price
<b>Base Bid – Surfacing – 122' x 64'</b>	
- Acid wash and clean new concrete surface removing unwanted dirt and debris.	
- Apply Ti Coat concrete adhesion promoter to concrete that will be surfaced.	
- Apply one layer of sand fortified acrylic resurfacer to pickleball court.	
- Apply two layers of California Products Plexi-Pave color (color to be chosen by owner)	
- Layout and stripe regulation pickleball playing lines. (white)	
<b>Total</b>	<del>\$ 26,248.00</del>
<b>Joint Sealing</b>	
- Seal saw cut control joints	Add Per ft \$ 2.50
- Seal construction joints up to 1" wide	Add per ft \$ 6.00
<b>Alternate 1 - Pickleball Equipment in ground</b>	
- Supply and install three sets of Douglas Premier RD Posts (black or green) and associated ground sleeves.	
- Supply and install two PN 30 Pickleball nets.	
<b>Total</b>	<b>\$ 13,482.00</b>
<del>* Alternate 2 - Pickleball Equipment Surface Mount</del>	
- Supply and install three sets of Douglas Premier SQ Posts (black)	
- Supply and install two PN 30 Pickleball nets.	
<b>Total</b>	<del>* \$ 6,978.00</del>
<b>Alternate 3 – Bocce Ball</b>	
- Supply and install artificial turf for bocce ball	
- <i>Base material is not included in this price and will need to be done by others.</i>	
<b>Total</b>	<b>\$ 26.00 per sq ft</b>

**Project Notes:**

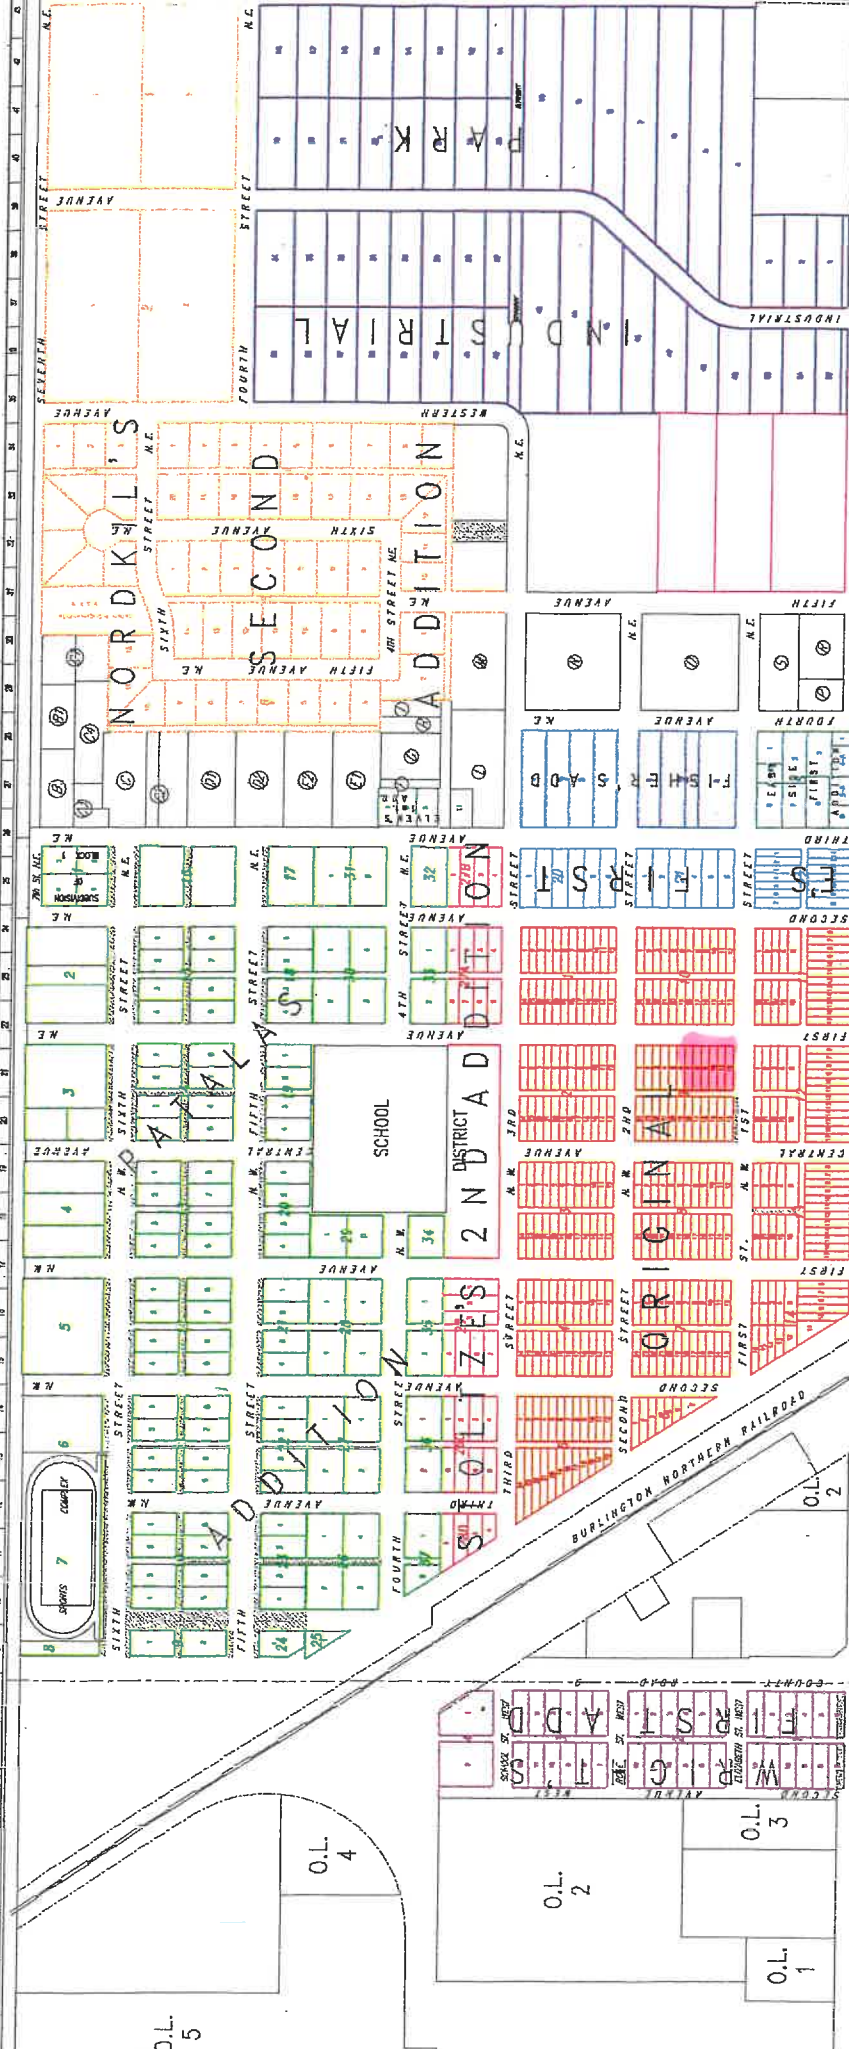

- o The above surfacing price is based on a new concrete area that measures 64' x 122'. With the bocce ball courts placed in the remaining area.
- o The above price is based on completing work in 2024.
- o The above price is based on applying acrylic surfacing over new concrete that is suitable to be surfaced and free of irregularities that would require grinding or patching prior to surfacing. If grinding or patching must be done additional charges for time and material will apply.

# Project Plan

Hero's Park will aim to turn an unused space next to the Gwinner Community Center into a welcoming park honoring our veterans and bringing together members of our community.

## Current Space

The location occupies a 92' x 21' corner on Main Street. It consists of a 68' x 21' concrete area and a 24' x 21' dirt area with a side walk leading up to the building. The entirety of the area is surrounded by a chain-link fence.

## Renovation Plans

Hero's Park will make use of the existing concrete slab to conserve resources, both environmental and financial. The slab will host a large pergola, approximately 18' x 26', to provide shade to five six-foot picnic tables. Two granite memorial stones honoring our veterans will also be placed on the concrete slab. The stones will measure approximately 6 feet high with inscriptions and art to be determined as we work with the artists that design these. We will add additional functional items such as garbage cans as well. We will be removing the existing fence and adding a dedication plaque to the park.

The dirt portion of the park will receive a beautiful transformation to promote green spaces in our community. Two trees will provide shade to the area. We will plant poppy seeds and milkweed plants in the new garden area. The poppy flowers will serve as an homage to Flanders Fields, a major battle theatre on the Western Front during World War I. Milkweed is a vital part of the metamorphosis of the monarch butterfly, an endangered species that makes their spring-fall home in North Dakota. The dirt portion will also utilize the existing side walk to make this area accessible, furthering our desire to make the best use of our resources. Additional seating space will be provided in this area with two park benches.

We do believe the grant will cover the entire cost of the project. We do understand there may be costs that exceed the grant and incidental expenses. We are prepared to fundraise for the remaining funds needed. Fundraisers such as dedication bricks to be purchased placed next to the walkway of the park and in-kind donations from local businesses and residents have been discussed.

Budget

Hero's Park - Estimated Project Budget			
Items	Cost/Ea.	Quantity	Total Cost
Pergola Materials	\$15,500.00	1	\$15,500.00
Pergola Fabrication & Install	\$8,000.00	1	\$8,000.00

## Garrison Diversion Conservancy District Matching Recreation Grant Program

<b>Date of Application</b> 2-21-24	<b>Project Name</b> Reynolds Park Gazebo Renovation
<b>Sponsoring Agency Name</b> City of Reynolds	
<b>Authorized Representative/Title</b> Linda Dockter / City Council member	
<b>Sponsoring Agency Address</b> PO Box 178	
<b>Phone</b> 2182320167	<b>Email</b> Linda.Dockter@k12.nd.us
<b>Contact Name for Project</b> Jennifer Skold (If different than above)	
<b>Address</b> 716 4th Ave. Reynolds ND 58275	
<b>Phone</b> 7013302495	<b>Email</b> jaskold@gra.midco.net
<b>Project Location</b> City Park - Reynolds Nd	

### Description of Project Features (if more space is required, please provide separate documentation)

The Reynolds City park has a very old gazebo that is dangerous for our residents and our surrounding residents. We will be demolishing and want to build a new gazebo in its place. The new gazebo project will have ground level access for all our residents and will be ADA compliant. The design will have lighting.

The city park in Reynolds is a very busy park 7-9 months out of the year with 6 - 9 events for our residents and surrounding residents.. We have renovated the kitchen facilities and restroom facilities. We have updated some of the playground equipment. The park is used daily by our residents with the playground, picnic tables, and exercise.

### Justification of Project

(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)

<b>Estimated Number of People Served</b>	298 estimated for each function in the park.
<b>Total Estimated Project Cost</b> (Include volunteer/in-kind donations/work)	\$ 63,692.00
<b>Assistance Requested</b> (No more than 25% of project cost unless multi-county sponsored)	\$ 31,846.00
<b>Applicant's Contribution</b>	\$ 21,846.00
<b>Additional Sources of Funding</b>	
Various community fundraisings ,steak fry's in the park, meals weekly for good will offerings, the famous pie ladies in our area sell pies, in kind donations, and volunteer labor.	

<b>Federal Funds Utilized</b> 0
<b>Describe the Project Site As Is and Proposed Changes</b> (Tree Removal, Drainage Filled, Etc.) All work on the property is on the enclosed bids.
<b>Annual Maintenance Budget</b> \$ 500.00
<b>Maintenance Provided By</b> City of Reynolds

This estimate is valid for 60 days and is for work specified only. Some incidental charges may arise that are unforeseen. Any alterations or deviations from the specified work involving extra costs will be executed upon written order and becomes an extra charge over and above the estimate. If verbal approval is given it will stand in place of written approval. The work performed is covered by a one year warranty, effective as of the last day of work, covering defects in materials or workmanship, including obvious or unseen problems, except for cracking of concrete, which is an industry standard. CREDIT TERMS: Net due 30 days. After 30 days interest fees of 1-3/4% per month (21% per yr) apply. By signing, I hereby guarantee payment of any indebtedness incurred by virtue of this contract and agree to pay any incurred costs of collection, including legal fees, if I do not pay as per the credit terms above. If not paid within 30 days after last day worked a lien will be filed.

**Re: Park Improvements**

The purpose of this letter is to share with you upcoming plans that the Surrey Park District has in store for this fast-growing yet still small-based community! The city has grown exponentially over the past decade and as it continues to expand, we understand that providing facilities, activities for the children in the area, and safety is of utmost importance. The District's mission is to invest in a better quality of life for all of those living not only within City limits but for ones who'd like to visit.

To bring you some history, the city is divided by two sets of railroad tracks that run straight through the middle of town. There are 2 parks on the north side, the school playground in the middle, and then just until the past few years the south side didn't have an area to play at all. The District has been dedicating their efforts and funds to lay foundation of a new park on the southwest side giving parents the peace of mind that their children don't have to cross the busy tracks to go to a playground.

In 2020 groundwork was laid, a playset installed, and "Name that Park" contest happened bringing Pony Tracks Park to life! Since then, trees have been planted 2 years in a row and a shelter was put up in front of the swing sets just last fall. But it doesn't end there! The District has additional plans in store for the grounds. A Pickleball court is in sight for spring of 2024!

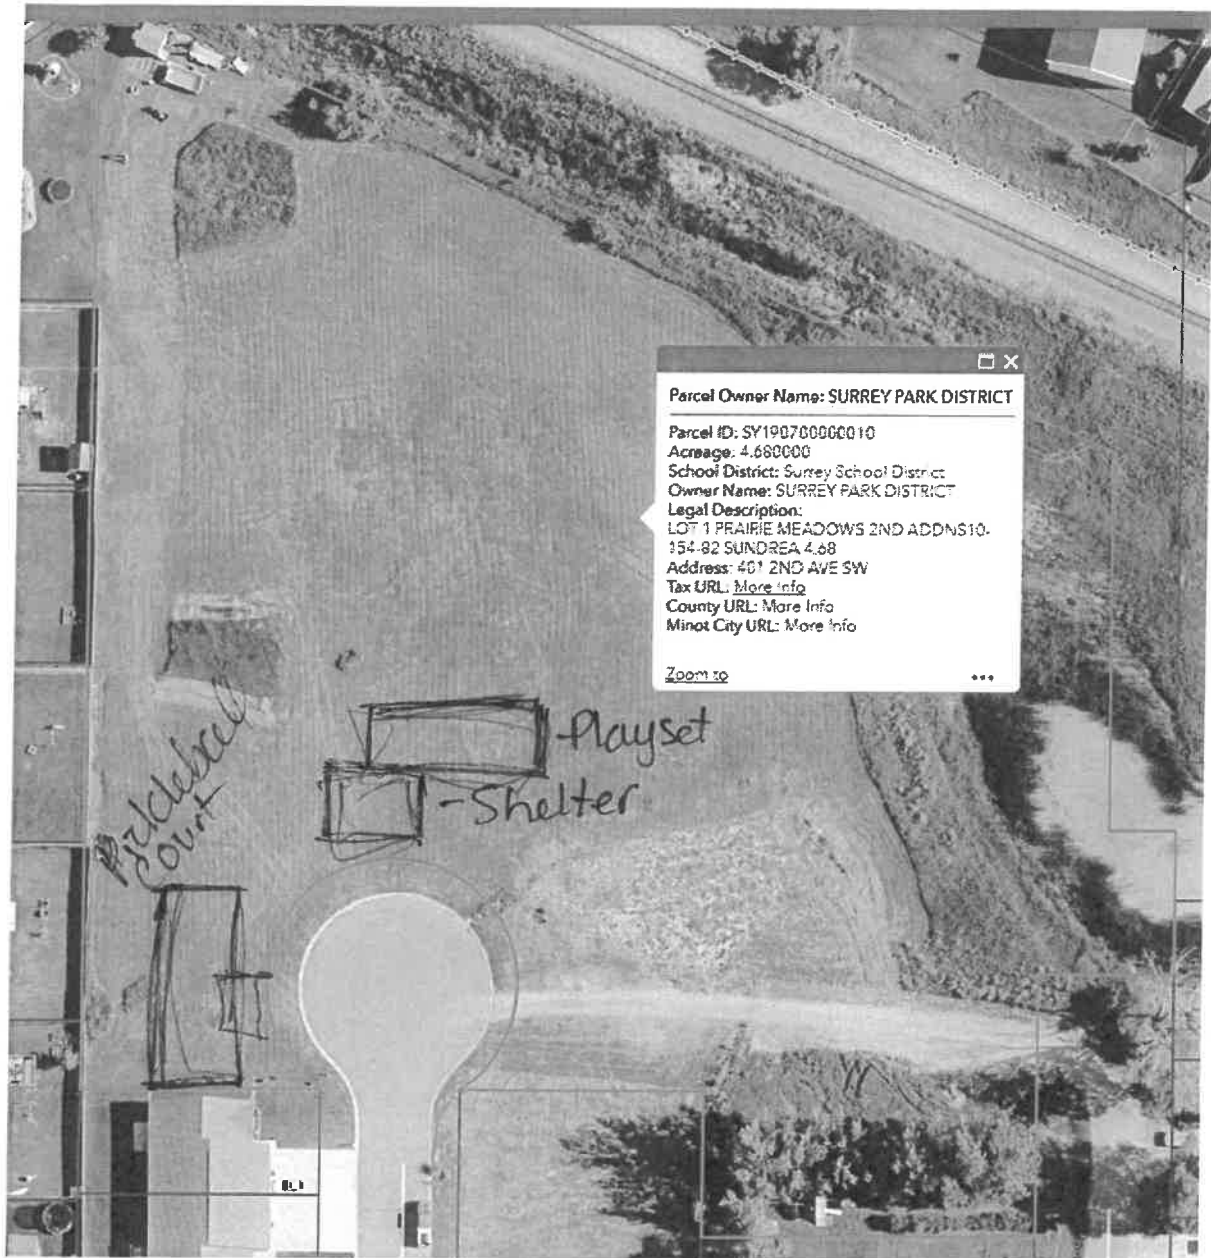

Costs of site prep, pouring concrete, anchoring a net, ordering supplies, plus then painting, ADA access, and landscaping the area all are needed for this to happen. Receiving grant money would help tremendously for completion of this goal. The District would be able to pay a sizeable amount towards the court and finishing of the site not having to rely completely on tax levied monies.

If you'd consider any type of donation or financial assistance to help reach this goal it would be an honor! We'd greatly appreciate your support and know that it would not go unnoticed! We'll look forward to your consideration and further hearing back from you!

Thank You!

  
Steve Quist

Surrey Park District President

## Garrison Diversion Conservancy District Matching Recreation Grant Program

<b>Date of Application</b> 2/15/2024	<b>Project Name</b> Coyote Clay Target League Range Build
<b>Sponsoring Agency Name</b> Williston Parks and Recreation District	
<b>Authorized Representative/Title</b> Joe Barsch Executive Director Williston Parks and Recreation District	
<b>Sponsoring Agency Address</b> PO Box 1153 822 18th St E Williston ND 58802	
<b>Phone</b> 701-774-9773	<b>Email</b> JoeB@wprd.us
<b>Contact Name for Project</b> Penny Lee Slagle (If different than above)	
<b>Address</b> 3021 13th Ave E Williston ND 58801	
<b>Phone</b> 701-770-0606	<b>Email</b> pslagle54@gmail.com
<b>Project Location</b> 5050 145th Ave NW Williston ND 58801	

**Description of Project Features (if more space is required, please provide separate documentation)**

The Coyote Clay Target League range build project began in 2020 when our range had to relocate to outside the city limits. This property did not have a trap range so we have been working hard writing grants, doing work projects, and getting donations to build a premiere shooting range. Phase 1 was completed in 2022 with 7 Trap houses. Phase 2, our clubhouse began in 2023 and will be done spring of 2024. Phase 3 is where we need funding to complete our skeet/trap combo fields. Phase 4 is Trap Field 2 which consists of 8 Trap houses. With the continued growth of our high school and college teams we need to build a range that will fit our growing needs. We continue to be the largest league in the Nation! (see attached sheet for more info)

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
<b>Estimated Number of People Served</b>	Over 250 athletes age 11-college; 50-100 adult league; 200-400 public use
<b>Total Estimated Project Cost</b> (Include volunteer/in-kind donations/work)	\$ <del>Phase 3--Skeet/Trap Range--\$501,628--Phase 4 Trap Field 2--\$737,550</del>
<b>Assistance Requested</b> (No more than 25% of project cost unless multi-county sponsored)	\$ \$75,000
<b>Applicant's Contribution</b>	\$ \$150,000
<b>Additional Sources of Funding</b> Outdoor Heritage Fund Grant; Williams County Capital Grant; CVB Grant, Raffles, Donations; Work Projects, NDGF	

<b>Federal Funds Utilized</b>	Federal funds have been used to purchase skeet and trap throwers for the range.	
<b>Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.)</b>	The dirt work is complete, drainage has been addressed, and land is leveled for 4 skeet/trap fields. Trees at this site will be planted after it is built. No dirt work has been started for Trap Field 2.	
<b>Annual Maintenance Budget</b>	\$ 5,000- \$10,000	
<b>Maintenance Provided By</b>	Painted Woods Sporting Range	
<b>I Hereby certify that funds in the amount of \$ 150,000 are available for this project.</b>		
<b>Authorized Signature of Sponsoring Agency</b>	 <span style="background-color: orange; color: white; padding: 2px;">SIGN HERE</span>	
<b>Printed Name/Title</b>	Joe Barsch Executive Director of Williston Parks and Recreation	
<b>Date</b>	2/13/24	

PROJECT COST ESTIMATES (Include volunteer/in-kind donations and labor)		
Item	Units	Estimated Cost
Phase 3—Skeet/Trap Combo Fields	4 Skeet/ Trap Houses	\$501,628
<del>Phase 4—Trap Field 2</del>	<del>8 Trap Houses</del>	<del>\$737,556</del>

**APPLICATION MUST INCLUDE THE FOLLOWING:**

1. Authorized signature of sponsoring agency
2. Resolution or minutes approving the project
3. City or county plat map of the proposed project location
4. Breakdown of estimated expenses

**QUESTIONS?**

Questions may be directed to the Garrison Diversion Conservancy District at 652-3194 or the District director from the applicant's county.

**READY TO SUBMIT?**

Mail completed application with required documentation to  
Garrison Diversion Conservancy District, PO Box 140, Carrington, ND 58421 or email to [recreation@gdcd.org](mailto:recreation@gdcd.org)

**DESCRIPTION OF PROJECT: continued**

This new skeet/trap combo field will provide our athletes with the opportunity to compete in all 4 disciplines with the USA Clay Target League. We currently have trap, 5 Stand and Sporting Clays and with this new skeet field and additional trap houses, we will be a premiere range in the state of ND. This too will give us an opportunity to host the ND State Tournament and host all 4 disciplines at one range at one time. We will also host other tournaments, have adult leagues, youth leagues, and be open to the public during the season. When completed we will have 19 trap houses, 4 Skeet houses, a 5 stand and a Sporting clays course. This has proven to be a real highlight for western North Dakota by adding another recreational project for everyone to enjoy.

The audience we will serve will be ages 11 years on up. Eleven is the age you can take Hunter Ed and that is required by all our athletes. By adding the skeet range, we will have approximately 250 athletes shooting 4 disciplines for 6-8 weeks in the fall and 6-8 weeks in the spring. We added a college team as well with the Williston State College Teton Trap Team. In the fall of 2023, the Tetons were named National Champions! Our athletes placed 1,2,3 as well so we are proud of the success they have had in one short year.

Shooting sports is the fastest growing activity in the country and now is the time to complete this facility so we can serve our team, our community, and our state with a top-of-the-line facility. Shooting sports will play a big part of developing our natural resources through recreation projects such as this and enhance the quality of life. This range gets our youth outdoors and promotes a family orientated atmosphere. This also keeps our hunting tradition alive, which is a huge pastime in our area. It also provides our community of Williston with another outdoor activity for our youth and adults to take part in and set us apart from other ranges in our state.

The Coyote Clay Target League has a 25-year lease on land owned by Painted Woods Sporting Range with several acres on which to build our range. They are our managing partners for the life of the property.

The estimated cost of the completion of the skeet/trap range and trap range 2 is:

Phase 3---Skeet / Trap combo fields---4-----\$501,628 (completion date Fall 2024)

Phase 4---Trap Range #2-----\$737,556 (start project after Phase 3 is completed)

We have a lot of work to do until our dream becomes a reality. Our money-raising efforts are ongoing, and we continue to write grants, sell raffle tickets, do work projects, and seek donations to get our range built. The support in our area is amazing and they see the effects this range will have on our community. The excitement of our range being built, and the success of our teams is our driving force.

By receiving this Garrison Diversion Grant, it would give us a huge boost to get our work completed sooner than later. We appreciate your consideration of our project.

**Breakdown of Skeet/Trap Combo Field Expenses**

\$200,000-----Concrete  
\$90,000-----Skeet houses  
120,000-----Electrical  
\$20,000-----Lighting  
In kind-----Light poles  
In kind-----Dirt work  
\$5,100-----Voice callers  
\$21,028-----Roof, door, trap houses  
\$28,000-----Turf  
\$7,500-----Engineering  
\$10,000-----Gravel, sand, topsoil  
\$501,628----Total for Skeet/Trap Combo Field

## APPLICATION

### Garrison Diversion Conservancy District Matching Recreation Grant Program

<b>Date of Application</b> 02/10/2024	<b>Project Name</b> Sunset Park District PreK Enhancement
<b>Sponsoring Agency Name</b> Sunset Park District	
<b>Authorized Representative/Title</b> Jamie Bolduc, Board President	
<b>Sponsoring Agency Address</b> PO Box 183	
<b>Phone</b> 701-694-3391	<b>Email</b> sunsetparkgrenora@gmail.com
<b>Contact Name for Project</b> (If different than above)	
<b>Address</b>	
<b>Phone</b>	<b>Email</b>
<b>Project Location</b> 111 Jetson, Grenora North Dakota	

#### Description of Project Features (if more space is required, please provide separate documentation)

Grenora, North Dakota is GROWING! The Sunset Park would like to provide play equipment for children under the age of 5 years old. With the growing young population of the area, including the nine (9) babies born in 2023. It would be nice to have a safe play area for the young children to enhance their playtime skills and learn how to play with other children their age. New and young parents can also meet others and visit with other parents.

#### Justification of Project

(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)

<b>Estimated Number of People Served</b>	150-250
<b>Total Estimated Project Cost</b> (Include volunteer/in-kind donations/work)	\$ 20000.00
<b>Assistance Requested</b> (No more than 25% of project cost unless multi-county sponsored)	\$ 5000.00
<b>Applicant's Contribution</b>	\$ 13500.00
<b>Additional Sources of Funding</b> RFDC Grant received \$500.00, Star Fund Grant received \$1000.00. Other grants are being sought as well.	

<b>Federal Funds Utilized</b>	0.00
<b>Describe the Project Site As Is and Proposed Changes</b> (Tree Removal, Drainage Filled, Etc.)	
The proposed area that the play area is being planned for is an area that is shaded and the grass doesn't grow well there are no trees in the way of the play area planned.	
<b>Annual Maintenance Budget</b>	\$ 100.00
<b>Maintenance Provided By</b>	Sunset Park Maintenance/Board and the Play Equipment company.
<b>I Hereby certify that funds in the amount of \$ 7,500.00 are available for this project.</b>	
<b>Authorized Signature of Sponsoring Agency</b>	
	<b>SIGN HERE</b> 
<b>Printed Name/Title</b>	Brett Wilkins, Mayor
