

GARRISON DIVERSION CONSERVANCY DISTRICT

RECREATION COMMITTEE

**Garrison Diversion Conservancy District
Carrington, North Dakota**

March 30, 2023

A meeting of the Garrison Diversion Conservancy District's Recreation Committee was held at the Garrison Diversion Conservancy District, Carrington, North Dakota, on March 30, 2023. The meeting was called to order by Chairman Klein at 10 a.m.

MEMBERS PRESENT

Board Chairman Alan Walter
Committee Chairman Bruce Klein
Director Richard Cayko
Director Steve Forde
Director David Johnson
Director Steve Metzger
Secretary Merri Mooridian

OTHERS PRESENT

Garrison Diversion staff and others were in attendance. A copy of the registration sheet is attached to these minutes as Annex I.

The meeting was recorded to assist with compilation of the minutes.

READING OF THE MINUTES

Motion by Director Cayko to dispense with a reading of the September 28, 2022, Recreation Committee minutes and approve them as distributed. Second by Director Metzger. Upon voice vote, motion carried.

CURRENT FUNDING AND PROJECT REVIEW

Merri Mooridian, Secretary, referred to the table listing current outstanding projects, stating the amount expended toward recreation projects in 2023 is \$215,341. The balance remaining to be expended is \$1,557,159. A copy of the table showing current projects is attached to these minutes as Annex II.

EXPIRING PROJECTS

Cass County Commission - - Ms. Mooridian commented in May 2020, the Cass County Commission received \$4,721 in grant funds for Phase I renovations at the Red River Valley Fair Campground. Our records indicate no funding has been expended for the project. The county auditor was contacted concerning the outstanding balance and no reply was received; therefore, these funds will go back into the recreation grant account.

LaMoure Park Board - - Ms. Mooridian stated the LaMoure Park Board was awarded \$45,000 in May 2020 to add camper pedestals, outlets and water at Sunset Park. There is a balance remaining from that project of \$17,974. The sponsor has indicated there is still work to complete on the project and would like an extension.

Motion by Director Walter to extend the project deadline on the Sunset Park Phase II project until October 31, 2023. Second by Director Johnson. Upon roll call vote, the following directors voted aye: Cayko, Forde, Johnson, Klein, Metzger and Walter. Those voting nay: none. Motion carried.

City of Underwood - - Ms. Mooridian reported the City of Underwood was also awarded funding in May 2020 in the amount of \$15,668 for development of a walking path throughout the city. Our records indicate none of these funds have been expended. The sponsor was contacted, but a reply has not been received; therefore, these funds will go back into the recreation grant account.

Sargent County Park Board - - Ms. Mooridian reported the Sargent County Park Board received \$6,377 in grant funds in May 2020 for construction of a unisex bathroom/bathhouse facility at the Silver Lake Recreational Area. The project sponsor has been contacted, and they indicated the project is not yet finished. They have experienced delays due to COVID; therefore, an extension has been requested on the project deadline.

Motion by Director Metzger to extend the project deadline on the Silver Lake Recreational Area project until September 1, 2023. Second by Director Forde. Upon roll call vote, the following directors voted aye: Cayko, Forde, Johnson, Klein, Metzger and Walter. Those voting nay: none. Motion carried.

Riverwalk Park & Trail System - - Ms. Mooridian stated the City of Hillsboro received \$89,973 in May of 2020 to develop the Riverwalk Park and Trail System. Our records indicated no funds had been disbursed for this project; however, a request for reimbursement was received today and is being processed. The project has been completed, but not to the extent that was applied for. There are unused funds of approximately \$48,000 that will be deposited back to the recreation program.

North Dakota State Fair - - Ms. Mooridian reported the North Dakota State Fair was awarded \$26,450 in May 2020 for development of the West Park at the state fairgrounds. Our records indicate there is an outstanding balance of \$4,588.40 on this project. The sponsor was contacted, and they would like to extend the contract deadline and amend the project to use the remaining funds to install lighting along the walking path that was created as part of the project development but not listed in the initial grant application.

Motion by Director Walter to extend the project deadline for the North Dakota State Fair to December 1, 2023, and amend the contract by allocating the remaining funds of \$4,588.40 to install lighting along the walking path in West Park located on the fairgrounds. Second by Director Cayko. Upon roll call vote, the following directors voted aye: Cayko, Forde, Johnson, Klein, Metzger and Walter. Those voting nay: none. Motion carried.

Ward County Parks - - Ms. Mooridian reported Ward County Parks received \$26,950 to construct a pavilion at Rice Lake. Our records indicate none of these funds have been expended. The sponsor was contacted, and they indicated the project has been delayed due to lack of available contractors and scarcity of building supplies. They plan to re-bid the contract this spring and, hopefully, complete the project this summer or next summer. An extension on the project is requested until December 2024.

Ms. Mooridian suggested extending the deadline for one year rather than two years. If, after that time, the project is still not completed another extension could be considered.

Motion by Director Walter to extend the project deadline on the Rice Lake pavilion project until December 1, 2023. Second by Director Metzger. Upon roll call vote, the following directors voted aye: Cayko, Forde, Johnson, Klein, Metzger and Walter. Those voting nay: none. Motion carried.

Williams County Water Resource District - - Ms. Mooridian reported the Williams County Water Resource District received funding of \$3,675 in May 2020 to purchase new picnic tables for the confluence of the Yellowstone and Missouri Rivers. Our records indicate none of these funds have been expended. The sponsor was contacted, and no reply has been received; therefore, these funds will go back into the recreation grant account.

COMPLETED PROJECTS

Ms. Mooridian referred to the completed projects table. As of December 31, 2022, funding in the amount of \$7.3 million has been awarded for recreation projects since the program's inception in 1990. Total expenditures from inception through 2022 are \$6.7 million.

ENGELS POINT/STUMP LAKE

Duane DeKrey, General Manager, Garrison Diversion, informed the committee the 404 Permit needed to raise the road on the Stump Lake land owned by Garrison Diversion has finally been approved. This will now allow Garrison Diversion's O&M crew to perform the work on the road in the spring, and the recreation project at Stump Lake can move forward.

A dedication ceremony for the Stump Lake Recreational Area has been set for September 6.

MATCHING RECREATION GRANT APPLICATION

Chairman Klein referred to the recreation grant program policy statement and grant application, which is in the meeting packet for the committee's referral.

REVIEW OF GRANT APPLICATIONS

McKenzie County and Park Board - - Peggy Hellandsaas, representing McKenzie County and the Tobacco Gardens Recreation Area, addressed the committee regarding their funding request of \$41,250 for construction of a shower/bathroom facility at Tobacco Gardens Recreation Area on Lake Sakakawea. The total estimated project cost is \$160,285, which allows for 25% funding of the nonfederal share in the amount of \$40,071. A copy of the grant application is attached to these minutes as Annex III.

McLean County Fair Board - - Diane Schell, representing the McLean County Fair Board, addressed the committee regarding the fair board's funding request of \$6,950 to construct a structure to house the announcer stand for the horse arena and concession area. The total estimated project cost is \$27,783, which allows for 25% funding of the nonfederal share in the amount of \$6,946. A copy of the grant application is attached to these minutes as Annex IV.

Washburn Park Board - - Judy Beaudry, Washburn Park Board, presented the request from the park board for \$17,500 in grant funds to develop Nelson Park and Community Garden. The total estimated project cost is \$51,000, which allows for 25% funding of the nonfederal share in the amount of \$12,750. A copy of the grant application is attached to these minutes as Annex V.

McLean County Commission - - Les Hultberg, representing McLean County and Sportsmen Centennial Park, addressed the committee regarding their request of \$6,250 to construct a boat ramp at Sportsmen's Centennial Park. The total estimated project cost is \$100,000. Federal funding is being received in the amount of \$75,000. A copy of the grant application is attached to these minutes as Annex VI.

Rugby Park Board - - Karin Fritel, representing Rugby Park Board and Rugby Jaycees, presented the \$75,000 funding request from the Rugby Park Board for installation of a splashpad at Rugby Jaycees Park in the amount of \$75,000. The total estimated project cost is \$360,807. A copy of the grant application is attached to these minutes as Annex VII.

Ms. Fritel indicated a \$200,000 deposit had been made on this project.

Ms. Fritel was informed any expenses paid prior to March 30 toward the project would not be eligible for grant funding. This results in the amount eligible for reimbursement to be lowered from \$75,000 to \$40,202.

Stutsman County Fair Board - - Deb Hatlewick, Secretary, Stutsman County Fair Board, and Kali Lauth, representing Circle Cross Riding Club, presented the funding request from the fair board in the amount of \$8,843 for improvements to the 4-H Horse Arena at the county fairgrounds, including the installation of poles, lights, power and sound. Total estimated project cost is \$35,371. A copy of the grant application is attached to these minutes as Annex VIII.

City of Jamestown - - Mayor Heinrich and Tyler Michel, Public Works Director, City of Jamestown, presented the city's request for funding of \$75,000 to assist with the pedestrian bridge replacement project spanning the James River along Klaus, McElroy and Nickeus Parks. The total estimated project cost is \$2,087,917. Federal funding is being received in the amount of \$1,000,000. A copy of the grant application is attached to these minutes as Annex IX.

West Fargo Park District - - Barb Erbstoesser, Executive Director, West Fargo Park District, presented the park district's request for \$24,325 in grant funds for restoration at North Elmwood Park, including ADA restrooms and sidewalk. The total estimated project cost is \$97,290. A copy of the grant application is attached to these minutes as Annex X.

Stutsman County Park Board - - Karl Bergh, Park Superintendent, Stutsman County Park Board, presented the park board's request for funding in the amount of \$5,375 to install signage and elevated tent pads with electricity and water and add five electrical pedestals to RV sites at Lakeside Campground located at Jamestown Reservoir. Total estimated project cost is \$22,295, which allows for funding in the amount of \$5,574. A copy of the grant application is attached to these minutes as Annex XI.

Jamestown Parks & Recreation - - Amy Walters, Executive Director, Jamestown Parks & Recreation, presented their request of \$50,000 for updates at the Lawrence "Trapper" Softball Field in McElroy Park, which includes the addition of lighting and fencing revisions. The total estimated project cost is \$297,575. Federal funding assistance is being received in the amount of \$148,788. A copy of the grant application is attached to these minutes as Annex XII.

It was pointed out to Ms. Walters funding for the three-phase power, transformer upgrade is not eligible for funding under the program guidelines, reducing the amount eligible for funding to \$35,072.

North Dakota State Fair - - Craig Rudland, Assistant General Manager, North Dakota State Fair, addressed the committee regarding the state fair's request for funding assistance in the amount of \$25,000 for installing water and sewage lines at the full-service camping area. The total estimated project cost is \$42,750, which allows for funding in the amount of \$21,375. A copy of the grant application is attached to these minutes as Annex XIII.

Ward County Parks - - Les Malnaa, Park Supervisor, Ward County Parks, presented their request for funding in the amount of \$2,465 to create a nine-hole disc golf course at Talbott Court Park in Minot. The total estimated project cost is \$9,860. A copy of the grant application is attached to these minutes as Annex XIV.

Williston Parks & Recreation District - - Joe Barsh, Executive Director, Williston Parks & Recreation District, Nick Liffert and Emily Ramage Gelter, Williston Community Builders, and John Kasmer, Williston business owner, addressed the committee regarding the \$75,000 request for the development of Williston Water World, including construction of an outdoor leisure pool with spray/play features and a lazy river. The total estimated project cost is \$12,661,422. A copy of the grant application is attached to these minutes as Annex XV.

City of Wimbledon - - The City of Wimbledon is seeking \$13,000 for bathroom and park upgrades at the city park. The total estimated project cost is \$51,996. A copy of the grant application is attached to these minutes as Annex XVI.

Bottineau County Commission - - The Bottineau County Commission is requesting \$4,750 for the Turtle Mountain Pickleball Club to construct a pickleball court and add benches and picnic tables, solar lighting and garbage receptacles at East Shore Park in Bottineau. The total estimated project cost is \$19,000. A copy of the grant application is attached to these minutes as Annex XVII.

Harwood Park Board - - The City of Harwood's funding request is for \$28,007 to install a splash pad at the city park. The total estimated project cost is \$108,816, which allows for funding in the amount of \$27,204. A copy of the grant application is attached to these minutes as Annex XVIII.

Tower City Park Board - - The Tower City Park Board is requesting funds in the amount of \$4,700 to construct a pickleball court and four-square space at the city park. The total estimated project cost is \$18,799. A copy of the grant application is attached to these minutes as Annex XIX.

Grand Forks Park District - - The Grand Forks Park District has requested \$10,000 in grant funds to install family game structures at Lincoln Drive Park. The total estimated project cost is \$40,000. A copy of the grant application is attached to these minutes as Annex XX.

City of Upham - - The City of Upham is requesting \$12,500 to construct ADA compliant restrooms in the city park. The total estimated project cost is \$50,000. A copy of the grant application is attached to these minutes as Annex XXI.

City of Butte - - The City of Butte is requesting grant funds in the amount of \$875 for improvements at the city park, including installation of lighting, swings, frisbee golf and tetherball. The total estimated project cost is \$3,495. A copy of the grant application is attached to these minutes as Annex XXII.

Mohall Park District - - The Mohall Park District requests \$6,875 for Mohall Splash Pad Phase II, consisting of a new waterline at the city park. The total estimated project cost is \$27,500. A copy of the grant application is attached to these minutes as Annex XIII.

Fairmount Park Board - - The Fairmount Park Board has requested funds in the amount of \$9,750 to install a new free-standing play system for the Fairmount Park Playground Project. The total estimated project cost is \$39,000. A copy of the grant application is attached to these minutes as Annex XXIV.

City of Forman - - The City of Forman requests \$2,000 in grant funds for development of Main Street Pocket Park, including a shelter, seating and information placards/panels. The total estimated project cost is \$8,850. A copy of the grant application is attached to these minutes as Annex XXV.

Finley Park District - - The Finley Park District is requesting \$13,750 to install new playground equipment in the city park. The total estimated project cost is \$110,000. Federal funding assistance is being received in the amount of \$55,000. A copy of the grant application is attached to these minutes as Annex XXVI.

CONSIDERATION OF GRANT APPLICATIONS

Motion by Director Walter and second by Director Metzger to approve the allocation of \$459,486 in recreation grant program funding as follows:

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$12,999 to the City of Wimbledon for construction of ADA compliant bathrooms and park upgrades at the city park.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$4,750 to the Bottineau County Commission to construct a pickleball court and add benches and picnic tables, solar lighting and garbage receptacles at East Shore Park in Bottineau.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$27,204 to the Harwood Park Board to construct a splash pad at North Acres Park in Harwood.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$24,323 to the West Fargo Park District to install ADA compliant restrooms and sidewalk at North Elmwood Park in West Fargo.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$4,700 to the Tower City Park Board to install a pickleball court and four-square space at the city park.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$10,000 to the Grand Forks Park District to install concrete family game structures at Lincoln Drive Park in Grand Forks.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$12,500 to the City of Upham to construct ADA compliant restrooms at the city park.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$40,071 to the McKenzie County Park Board for construction of a new shower/bathroom facility at Tobacco Gardens Recreation Area on Lake Sakakawea.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$874 to the City of Butte for improvements at the city park, including installation of lighting, swings, frisbee golf and tetherball.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$6,946 to the McLean County Fair Board to construct a structure to house the announcer stand for the horse arena and concession area.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$12,750 to the Washburn Park Board for development of Nelson Park and Community Garden.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$6,250 to the McLean County Commission for construction of a boat ramp at Sportsmen's Centennial Park.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$40,202 to the Rugby Park Board for construction of a splash pad at Rugby Jaycees Park.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$6,875 to the Mohall Park District/City of Mohall for Phase II construction of the Mohall Splash Pad, consisting of the installation of a two-inch waterline.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$9,750 to the Fairmount Park Board to install a free-standing play system for the Fairmount Park Playground Project.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$2,213 to City of Forman for improvements at the Main Street Pocket Park, including a shelter area, seating and informational placards.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$13,750 to the Finley Park District to replace playground equipment at the city park.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$8,843 to the Stutsman County Fair Board for improvements to the 4-H Horse Arena at the county fairgrounds, including the installation of poles, lights, power and sound.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$75,000 to the City of Jamestown to replace pedestrian bridges spanning the James River along Klaus, McElroy and Nickeus Parks.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$5,574 to the Stutsman County Park Board to install signage and three elevated tent pads with electricity and water plus add five electrical pedestals to RV sites at Lakeside Campground.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$35,072 to the Jamestown Park and Recreation District for updates at the Lawrence "Trapper" Softball Field in McElroy Park, which includes lighting and fencing revisions.

Up to 50 percent of the local, non-federal share of the eligible costs not to exceed \$21,375 to the North Dakota State Fair for installation of water and sewage lines at the full-service camping area.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$2,465 to Ward County Parks to create a nine-hole disc golf course at Talbott Court Park in Minot.

Up to 25 percent of the local, non-federal share of the eligible costs not to exceed \$75,000 to the Williston Parks & Recreation District for the development of Williston Water World, including construction of an outdoor leisure pool with spray/play features and a lazy river.

Upon roll call vote, the following directors voted aye: Cayko, Forde, Johnson, Klein, Metzger and Walter. Those voting nay: none. Motion carried.

OTHER

There being no further business to come before the committee, the meeting was adjourned at 1 p.m.

APPLICATION

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 02/15/2023	Project Name Tobacco Gardens Shower/Bathroom House
Sponsoring Agency Name McKenzie County and McKenzie County Park Board	
Authorized Representative/Title Erica Johnsrud, McKenzie County Auditor/Treasurer	
Sponsoring Agency Address 201 5th St NW Suite 543, Watford City, ND 58854	
Phone 701-444-3616x7401	Email ejohnsrud@co.mckenzie.nd.us
Contact Name for Project (If different than above) Peggy Hellandsaas	
Address 4381 Highway 1806 West, Watford City, ND 58854	
Phone 701-842-4199	Email tobaccogardens@ruggedwest.com
Project Location Tobacco Gardens Recreation Area on Lake Sakakawea	

Description of Project Features (if more space is required, please provide separate documentation)

Construction of a new shower/bathroom house at Tobacco Gardens Recreation Area to replace an old structure that has black mold and other issues. Old structure will be torn down and removed from site. New structure will be 36 feet by 28 feet and include separate sides for men and women. Each side must contain 2 bathroom stalls, two shower stalls, and a double sink. Entire project must comply with all ADA requirements. Costs are based on one bid that was received for the project (attached). Project currently being bid out as over \$150,000 threshold allowed by law.

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	15,000 (all citizens of McKenzie County possible and other surrounding areas)
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ 165,000
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ 41,250 (25%)
Applicant's Contribution	\$ 123,750 (remainder of costs)
Additional Sources of Funding County General Fund allocation to County Parks	

Federal Funds Utilized	None	
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.)	Demo of existing facility and replacement with new facility	
Annual Maintenance Budget	\$ 5,000	
Maintenance Provided By	Tobacco Gardens Resort and Marina	
I Hereby certify that funds in the amount of \$ 165,000 are available for this project.		
Authorized Signature of Sponsoring Agency	 Erica Johnsrud	 Digitally signed by Erica Johnsrud Date: 2023.02.15 09:59:07 -06'00'
Printed Name/Title	Erica Johnsrud/McKenzie County Auditor/Treasurer

APPLICATION

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 2/28/23	Project Name ARENA ANNOUNCER OFFICE & CONCESSION BUILDING
Sponsoring Agency Name MCLEAN COUNTY FAIR BOARD	
Authorized Representative/Title DIANE SCHELL - PRESIDENT, MCLEAN COUNTY FAIR BOARD	
Sponsoring Agency Address PO BOX 103, UNDERWOOD, ND 58576	
Phone 701-220-3841	Email dschell5596@gmail.com
Contact Name for Project (If different than above)	
Address	
Phone	Email
Project Location MCLEAN COUNTY FAIRGOUNDS, UNDERWOO, ND	

<p>Description of Project Features (if more space is required, please provide separate documentation)</p> <p>The Fair Board plans to construct a 16'x16', stick built structure, on a concrete slab, that will be used for the horse arena event announcers and score keepers, registration for events at the arena, storage for the Mustang 4H club's equipment and Fair Bd. equipment, and a concession area during events. The building will have metal siding and a metal roof, doors, and windows. The building will be split level with the east half raised for the announcers and score keepers and the west half ground level for event registrations, concessions, and equipment storage. It will replace a small shed, built in 1970. The new building will be placed alongside the outside of the arena fencing closer to the middle of the arena, as requested by the Max Rodeo Association, who handle our events at the arena during the Fair.</p>
--

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	3,000 people during the Fair, the Mustang 4H group & other 4H event participants
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ 27,800.00
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ 6,950.00
Applicant's Contribution	\$ 12,285.00
Additional Sources of Funding	
Falkirk Mining Company - \$1,500, Great River Energy - \$1,500, Kyle Giffey Memorials - \$3,565, Rainbow Energy Center - concrete (apprx. - \$2,000) = Total \$8,565.00 donated to the Fair Board	

Federal Funds Utilized No
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.) The site is located at the McLean County fairgrounds. It is a level area, needing very little dirt work with no trees. Some gravel may be needed around the building after construction is completed.
Annual Maintenance Budget \$ \$500 for gravel around bldg., \$100 for bldg.
Maintenance Provided By McLean County Fair Board
I Hereby certify that funds in the amount of \$ 20,850.00 are available for this project.
Authorized Signature of Sponsoring Agency  <i>Diane Schell - Pres. - McLean Co. Fair Bd.</i>
Printed Name/Title Diane Schell - President, McLean County Fair Board

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 2/23/2023	Project Name Nelson Park and Community Garden
Sponsoring Agency Name Washburn Park Board	
Authorized Representative/Title Judy Beaudry, Park Board member by vote	
Sponsoring Agency Address PO Box 551, Washburn, ND 58577	
Phone 701-220-4410	Email jbeaudry@westriv.com
Contact Name for Project (If different than above)	
Address	
Phone	Email
Project Location 1058 De Mores Avenue, Washburn, ND 58577	

Description of Project Features (if more space is required, please provide separate documentation)

The property for this park is 1.8 acres which is a nice size for a recreation equipment on one portion and the Community Garden on another. we will fence 2 sides to allow home sites their privacy. The garden will also be fenced. The park will be open to the street. At this time almost no traffic so it will bne safe for neighborhood children. The Park itself is flat and condusive to a playground. Also it is on the North side of Hwy 83. A newer addition that does not have any recreational spots. We plan to create a summer location to give access to the entire community for music.

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	800 on a regular basis and more for special events.
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ \$63,750 - \$70,000
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ \$17,500
Applicant's Contribution	\$ \$52,500

Project Location	

Description of Project Features (if more space is required, please provide separate documentation)

McLean County plans to cooperate with the ND Game & Fish to reconstruct a new poured concrete boat ramp to replace the existing brokenup and deteriorated fly ash/cement ramp at McLean County's Sportsmens Centennial Park at the site shown on the attached ariel photograph NW4 25-148-84. The new ramp will replace the existing concrete ramp and will be constructed utilizing the "Pour and Push" methods shown on the attached plans and specifications. The old ramp will be removed. Site preparation and some fill will be required to prepare the proper 12% slope. The new ramp will be 32' x 200' x 6" top elevation will be 1846 bottom elevation will be 1820. Riprap will be placed along ramp to prevent erosion and undermining.

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	45,000, all ages, this will help keep the park modern and up-to-date

Phone 701.776.5230	Email toniacdosch@hotmail.com
Contact Name for Project (if different than above) Karin Fritel	
Address PO Box 384, Rugby ND 58368	
Phone 701-537-3532	Email karinfritel12@gmail.com
Project Location Rugby Jaycees Park	

Description of Project Features (if more space is required, please provide separate documentation)

Rugby Jaycees are applying for this grant to help fund a splashpad, the splashpad will directly benefit the Rugby and surrounding communities and host thousands of people a year. Our goal is to offer a free and fun way to promote a healthy lifestyle by keeping people (ages 0-99) active and outside in the summer months. The splashpad will have a recirculation system in order to recycle water. The location for the splashpad will be added to the Rugby Jaycees Park and plans to be operational June 2023. The splashpad will combine misting, spraying and splashing water and even a slide for fun for everyone. (see attached pictures)

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	3000 people annually from Rugby and surrounding areas for people aged 0-99
Total Estimated Project Cost (include volunteer/in-kind donations/work)	\$ 360,806.53

Waterplay has partnered with Marlin Capital Solutions to provide flexible product financing options to our customers, moving your project from a capital cost to an operational expense.

If interested in financing your aquatic play project, please visit our website at www.waterplay.com/en/marlin-financing-options/ and click the "Calculate a Finance Quote" button to view quote estimates and submit a preliminary application. Our financing expert will get in touch with you to discuss financing details and next steps. Once approved, Marlin will provide the documentation for you to sign with the agreed-upon monthly payment and term. It's really that easy!

WATERPLAY EQUIPMENT DOES NOT INCLUDE

Unless otherwise specified, Waterplay equipment DOES NOT include the following:

- Engineered drawings;
- Installation of equipment or other site amenities;
- Specialty fittings, flex couplers or other similar types of joining;
- Field piping/plumbing, double check valves, in-line strainer;
- Power supply, electrical conduit, wiring, connection fittings;
- Electronic solenoid valves (only included with the purchase of a Waterplay manifold).

COMPLIANCE WITH CODES AND STANDARDS

Waterplay Solutions Corp. is an equipment manufacturer. We participate in ASTM panels for the aquatics industry and make every effort to ensure that our product will meet or exceed the ASTM standards. Waterplay also aims to ensure that most of our features are ADA compliant but some structures will fall outside of this compliance. It is the Customer's responsibility to ensure that any requirements to meet ADA compliance are duly noted prior to placing the order.

Waterplay products are purchased and installed all over the world; unfortunately it is not possible for Waterplay to

APPLICATION

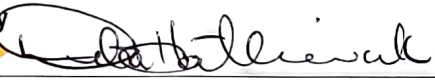

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 2/18/2023	Project Name 4-H Horse Arena Improvement Project
Sponsoring Agency Name Stutsman County Fair Board	
Authorized Representative/Title Deb Hatlewick, Member	
Sponsoring Agency Address PO Box 757, Jamestown, ND 58401	
Phone 701-320-6293	Email hccdeb@daktel.com
Contact Name for Project Kali Lauth (If different than above)	
Address 7945 36th St SE, Jamestown, ND 58401	
Phone 701-320-9671	Email kalimae81@gmail.com
Project Location South end of the Stutsman County Fairgrounds	

Description of Project Features (if more space is required, please provide separate documentation)

If funding is received it will be used to install poles, lights, power, and sound in the horse arena located on the Stutsman County Fairgrounds. Currently, there are no lights, power, or sound in the horse arena. This will allow for evening events such as clinics, shows and practices for 4-H and FFA members as well as the Circle Cross Riding Club. It will also make the arena safer for the horses and participants by removing foreign materials that have worked up over the years and provide sand in the arena.

Justification of Project (Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	680+ youth (under 18), 540+ adults (over 18)
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ 35370.71
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ 8842.68
Applicant's Contribution	\$ 26528.03
Additional Sources of Funding Fundraising by the Circle Cross Riding Club, Stutsman County Fair Board donations, In-kind labor	

Federal Funds Utilized 0	
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.) Currently, the arena is covered by dirt and rocks and surrounded by a metal fence. There is no lighting, power, or sound. This would add 4 power poles with lights and sound, improve footing for the horses and increased access.	
Maintenance Provided By	Northern Plains Electric Cooperative, Stutsman County Fair, Circle Cross members
I Hereby certify that funds in the amount of \$ 26528.03 are available for this project.	
Authorized Signature of Sponsoring Agency	 <small>SIGN HERE</small>

Garrison Diversion Conservancy District Recreation Grant Additional Project Information

Description of Project:

This project is being sponsored by the City of Jamestown, but future maintenance will be done by the Jamestown Park and Recreation District. The City of Jamestown and the Jamestown Park and Recreation District have entered into a Joint Powers Agreement in order to construct, maintain and address future expenses. A copy of the JPA is attached.

Our project will address replacement of the pedestrian bridges that span the James River at Klaus, Nickeus and McElroy parks. In all three situations the bridges connect City of Jamestown right of way to Jamestown Parks and Recreation land. The bridges are beyond their lifespan and action needs to be taken to replace the bridges and renovate the adjoining pathways to ensure they are accessible and can be used by all community members. Not only do these bridges provide an entry point to the parks for recreation but they also serve as important pedestrian routes that community members may use to travel to essential services such as schools, grocery stores, pharmacies, and medical providers.

This project would remove the old bridges and replace all the existing abutments on the projects and install a prefabricated pedestrian bridge. All three of these sites have poor or nonexistent abutments. All sites also lack proper ADA access across the bridges. These bridges would provide a safe and lighted path for pedestrians. In addition, the current bridges are low and could potentially exacerbate conditions in a flood situation due to obstructing the water flow and holding floating debris or ice. The selected bridges will be designed and installed to meet the requirements for regulatory floodway and the projects would improve the hydraulics of the river at these intersections. The Klaus Park bridge will require significant work on the East access point to ensure compliance with ADA standards and provide a scenic pedestrian overlook that will be installed on the existing riverbank that encompasses the view of Klaus Park.

While not preferred, due to efficiency, this project could be broken down into phases. There is significant cost savings to the project by mobilizing contractors and supplies all at one time. Priority of installation of new bridges are as follows:

1. Klaus Park
2. Nickeus Park
3. McElroy Park

Current Sites:

The three project sites all have varying issues. It is unlikely the bridges meet ADA requirements. The new bridges will all be designed and built with ADA rules in mind.

The Klaus Park bridge enters from Fourth Street Southwest and crosses the James River into the east edge of Klaus Park. The bridge has sidewalk feeding it, but the area is overgrown with vegetation, unlit, and is generally unkempt. The bridge itself is past its useful life. The abutments have been eroded by the James River during numerous high-water events over the years. The new bridge would be placed above the floodplain and with input from the Army Corps of Engineers and Bureau of Reclamation to

ensure viability. The entrance would be lit, vegetation would be cleared and landscaped, and would be more welcoming to all users.

The Nickeus Park Bridge has many of the same issues as Klaus. The bridge spans from the Right of Way at the intersection of First Ave North and Eighth Street North and crosses the James River into the south portion of Nickeus Park. There are multiple sidewalks in the area that connect to this bridge. The entrance is dark and unwelcoming. The bridge is low and a catch point for large items such as trees and other debris floating down the river during high water events. The new bridge will be well lit, outside of the floodplain, and landscaped and cleaned up to become a more inviting presence. The new bridge would also be constructed with input from the Army Corps of Engineers and Bureau of Reclamation.

The McElroy Park Bridge is a somewhat newer bridge. It was remodeled sometime during the late 1990s or early 2000s. It is a wooden bridge that sees quite a bit of bicycle traffic, as it accesses the trail system to the south of the James River. The bridge connects the south end of McElroy Park to a large piece of City of Jamestown owned property that contains bicycle and walking trails, as well as access to the back side of the Frontier Village in south Jamestown. The area is well lit and sees quite a bit of activity. The new bridge would include improved lighting and landscaping. Once again, the new bridge would be constructed with input from the Army Corps of Engineers and Bureau of Reclamation.

Supporting Data:

In 2015 *Forward Jamestown: A Community-Based Land Use and Transportation Plan* (LUTP) was developed “as a plan for the future, of how a city can move forward in new ways, while maintaining the qualities and values in which it takes both pride and comfort”. In Chapter Ten of the LUTP it lists as part of the Active Transportation Priorities a new bridge in Klaus Park to create a complete east-west pedestrian and bicycle connection. This bridge replacement is part of the overall transportation plan to connect the west central side of Jamestown with the remainder of the city. As per Chapter 6 of the LUTP existing park facilities are disconnected and provide a challenge to creating a fully connected system. Replacing these bridges, in alignment with current accessibility standards, will improve active transportation in the community and serve as progress towards the goal of a fully connected community. The attached Bridge Access Maps indicate that by providing the bridges and accessible pathways through the parks significant time and distance will be saved by pedestrians. The entire report can be accessed here [2015-LUTP.pdf \(jamestownnd.gov\)](#).

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 02/28/23	Project Name North Elmwood Park Shelter Restoration
Sponsoring Agency Name West Fargo Park District	
Authorized Representative/Title Barb Erbstoesser, Executive Director	
Sponsoring Agency Address 601 26th Avenue East, West Fargo, ND 58078	
Phone 701-551-7116	Email barb@wfparks.org
Contact Name for Project Josh Mathern, Operations Director (if different than above)	
Address 601 26th Avenue East, West Fargo, ND 58078	
Phone 701-551-7117	Email josh@wfparks.org
Project Location North Elmwood Park, 500 13th Avenue West, West Fargo, ND 58078	

Description of Project Features (if more space is required, please provide separate documentation)

The historic North Elmwood Park enclosed shelter has served many generations of users. It is in need of a substantial restoration. The restoration is planned to include: ADA restrooms while maintaining the existing sewer/water service, doors placement which will accommodate ADA egress/ingress and safer opening, and an ada sidewalk which will provide new access the facility from the parking lot to the facility.

Justification of Project (Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	140 use days. 10,000 patrons of all ages & all abilities.
Total Estimated Project Cost (include volunteer/in-kind donations/work)	\$ 207,219
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ 24,325 (eligible costs - \$97,290 - bathroom, doors, sidewalk & 10% contingency)
Applicant's Contribution	\$ 182,894
Additional Sources of Funding West Fargo Park District General Fund	

Federal Funds Utilized none
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.) The project will bring the aging shelter up to current ADA and safety standards. All items listed new features to the shelter.
Annual Maintenance Budget \$ 645,000
Maintenance Provided By West Fargo Park District
I Hereby certify that funds in the amount of \$ 182,894 are available for this project.

Condition Assessment

North shelter – 30' x 80'

Elmwood Park in West Fargo, ND

On June 28, 2022 a condition assessment was done on the above listed building. Building is 30'- x 80' slab on grade wood pole type building. Wood poles are 8" diameter at 10'-0" o.c., roof structure is wood trusses at 2'-0" o.c.. There are gravity type doors on the north and south side located between posts. Roof is wood decking with asphalt shingles, there are skylights. East end has electrical panel, service sink, toilets, and storage.

Exterior:

- Access to the building is not accessible. The only access is via grass.
Estimated cost \$7,500
- Several areas of concrete walk need to be replaced.
Estimate cost \$10,000
- Roof – shingles need to be replaced. Metal roofing would be more long lasting than shingles but may be cost prohibitive. Several eave boards need to be replaced
Estimated cost to remove skylights, asphalt shingles and eaves \$17,500
Estimated cost to remove skylights, standing seam and eaves \$32,000
- The exterior should be painted.
Estimated cost \$7,000 (interior and exterior)

Interior:

- Floor slab – good condition. Some cracking in a couple of areas but nothing structural.
- Walls – good condition
- Walk doors – there are a couple of sliding doors into the building. they are in decent condition

- Pull up doors – these doors are very crude. They are difficult to open and close. Recommend replacing. The intent of these doors appears to be able to open the entire space up to the exterior. A better solution may be to take the wall down in several places and put in overhead doors. coiling doors would also be an option.

Estimated cost per door $\$3,500 \times 16 = \$56,000$

- Toilets are not accessible. Sizes are not correct.

Estimated cost to remodel \$20,000 each

- Door hardware in several locations needs to be replaced, including into the toilet rooms.

Estimated cost \$2,500

Overall, the building is in good shape, but needs some repair.

YHR Partners

APPLICATION

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 02.28.2023	Project Name Lakeside Campground Improvements
Sponsoring Agency Name Stutsman County Park Board	
Authorized Representative/Title Karl Bergh- Park Superintendent	
Sponsoring Agency Address 511 2nd Ave SE	
Phone 701.368.1365	Email kbergh@stutsmancounty.gov
Contact Name for Project (If different than above)	
Address	
Phone	Email
Project Location 8341 32nd St SE, Jamestown, ND 58401	

Description of Project Features (if more space is required, please provide separate documentation)

We plan on installing new signage at the entrance to the campground. That would replace the gov't looking signage that was part of the Bureau of Reclamation. Also planned are 3 elevated tent pads with electricity and water to the sites. The other part of this project would be to add 5 electrical pedestals to add easier access to 5 RV sites where many campers find it hard to make connections. These pedestals would carry 30 amp in two sites and 30-50 amps in 3 sites.

The signage to the entrances would be much more visible and will include trail maps and other information from the area the campers would find useful.

Justification of Project

(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)

Estimated Number of People Served 5500 per year

Total Estimated Project Cost \$ 21,500.00
(Include volunteer/in-kind donations/work)

Assistance Requested \$ 5,375.00
(No more than 25% of project cost unless multi-county sponsored)

Applicant's Contribution \$ 16,125.00

Additional Sources of Funding
Jamestown Tourism

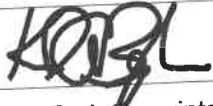

Federal Funds Utilized 0

Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.)
The site is an established campground. The job will just include trenching for wire and a few water lines. After those are installed, releveling and reseeding.

Annual Maintenance Budget \$ 500.00

Maintenance Provided By Employees of Stutsman County Park Board

I Hereby certify that funds in the amount of \$ 16,125.00 **are available for this project.**

Garrison Diversion Conservancy District Matching Grant Program Lawrence "Trapper" Softball Field Lighting Project

Description of Project:

Updates and revisions to Lawrence "Trapper" Softball Field at McElroy Park in Jamestown, ND. The updates will include the addition of lighting and accompanied fencing revisions at the only competitive fast pitch softball field in the community. Currently there are no lights on any fast pitch softball fields in the community. This would be the first-time teams would be able to play past sunset. Stakeholder groups including, Jamestown Public Schools, University of Jamestown, Jamestown "Outlaws" Frontier Fastpitch Softball, Jamestown Men's Softball Association and Jamestown Women's Slow Pitch Softball were consulted in the development of this plan.

The physical improvements at the field will include the installation of LED lights with concrete bases, galvanized steel poles, remote electrical component enclosures, pole length wire harnesses and factory-aimed and assembled luminaries. Additional improvements will include the required electrical service of 480V/3 phase power to the site, a new electrical transformer, and necessary movement and reinstallation of fencing on the first and third baseline to the outfield.

Audience Intended to be Served:

Currently the facility serves the following constituents as detailed below.

- 120 local players age 5-18 registered in Outlaws youth fast pitch programs
- 40 middle school and high school players (some duplication with the above)
- 30 University of Jamestown players
- 12,000 visits to Trapper Field and McElroy Park softball fields seasonally
- Host to several state and regional tournaments to include the NDHSAA Class A and B fast pitch softball yearly. Host all State Amateur tournaments for 3 divisions.

By adding lighting to Trapper Field it extends the "playable" hours of the facility. This is especially critical in the Spring and Fall seasons as sunset occurs earlier. Having extended playable hours will impact all user groups, both adult and youth, as well as competitive and recreational leagues. Currently the number of teams in recreational leagues are limited based upon the number of games that can be played each day. In addition, lighting and fence realignment will improve safety for the players. With the new lighting system Trapper Field will be in compliance with facility requirements for hosting state and regional tournaments.

Describe Project Site As Is and Proposed Changes:

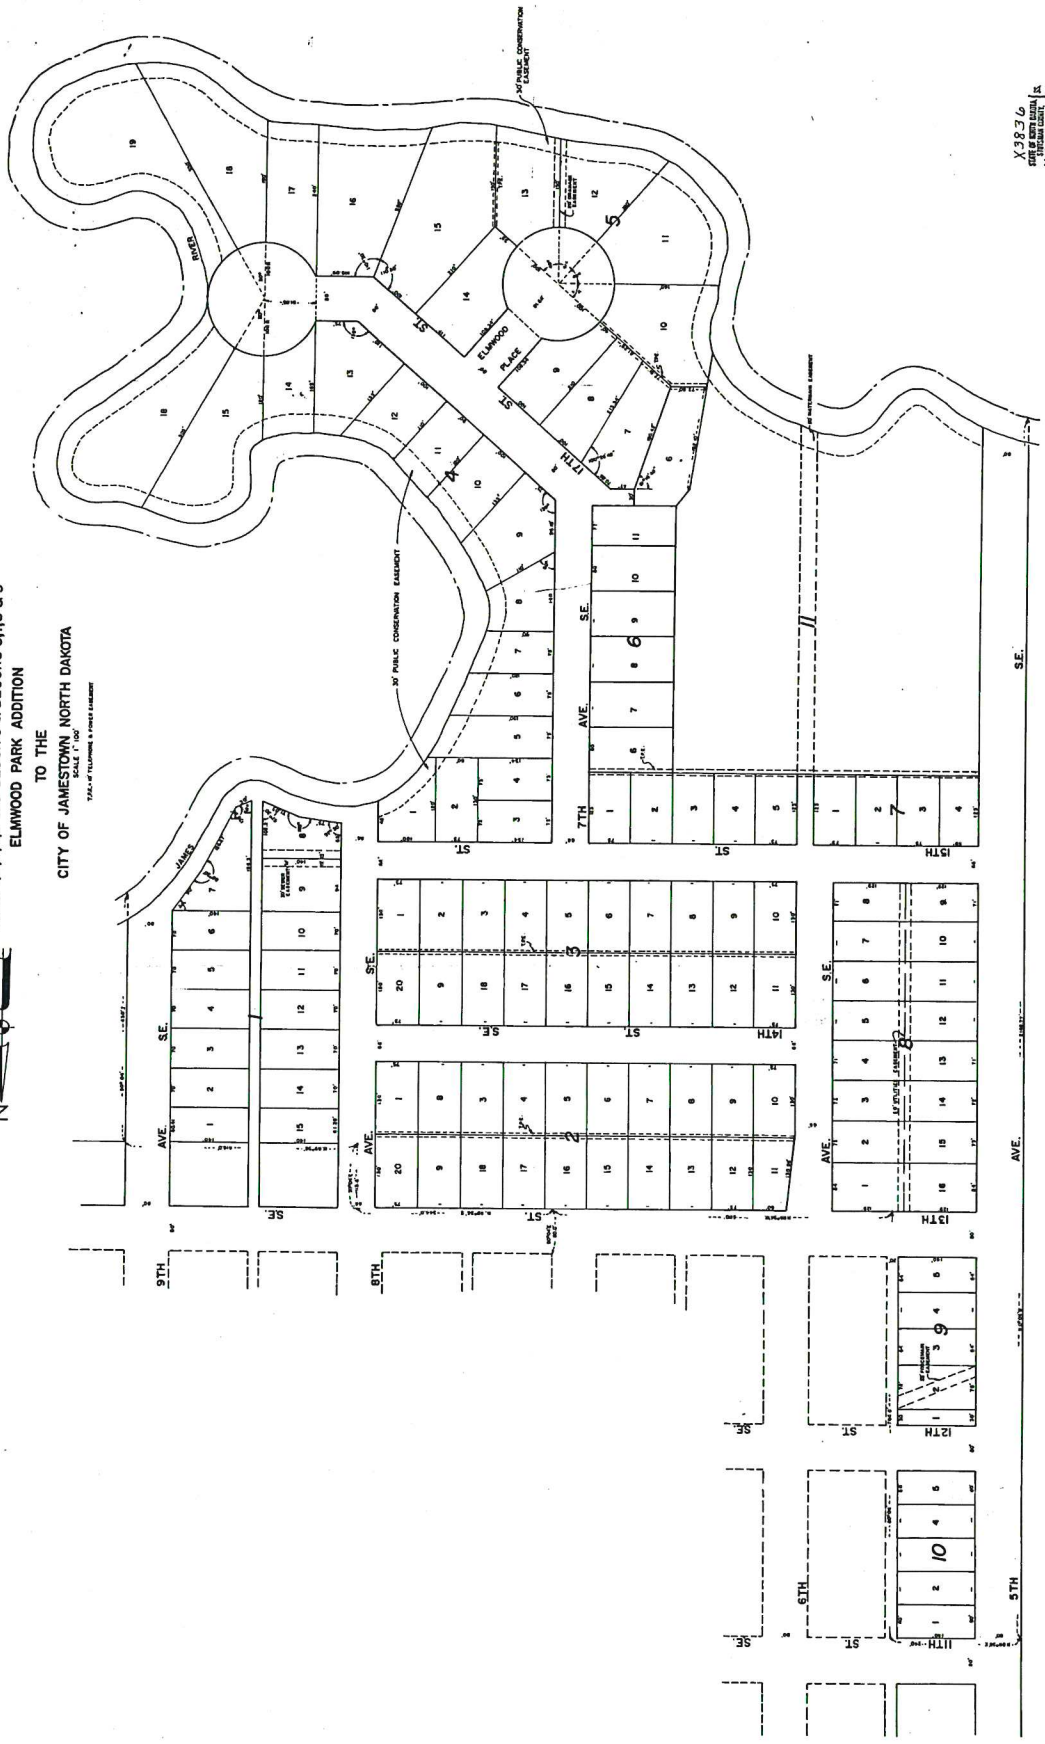

The site is currently a fast pitch softball field located within McElroy Park. The proposed changes would include the installation of lighting and revisions to the first and third baseline fencing that would be disrupted due to the required location of the light poles.

MAR 02 2023

**Garrison Diversion Conservancy District
Matching Recreation Grant Program
Application**

Date of Application: 2/27/2022

Agency Name: North Dakota State Fair

Point of Contact: Craig Rudland, Assistant General Manager

Address: PO Box 1796, Minot, ND 58702

Phone Number: 701-857-7620

Name of Project: Upgrading Full-Service Camping to Include More Full-Service Hookups

Project Locations: Minot, ND State Fairgrounds

Description of Project Features:

The North Dakota State Fair would like to provide our full-service camping area, which is primarily used by campers that stay for long periods of time, including but not limited to fair volunteers, fair staff, fair vendors, Nodak Speedway Racers, Norsk Hostfest staff and vendors, and much more, direct water and sewage to better accommodate them for the amount of time they are with us. These full-service spaces will not only service North Dakota State Fair Staff, but staff for other events such as Motor Magic, Norsk Hostfest, Nodak Speedway, and any other event being held at the fairgrounds that requires full-service camping or campers simply coming to the city of Minot to visit. These full-service camping spaces will account for fewer campers filling water and pumping sewage which will ultimately provide a more convenient stay. During the ND State Fair and our other large events held at the fairgrounds, this will open up time slots to accommodate other campers staying in other camping lots in a timelier manner. These full-service camping spaces will also provide a worry-free stay for campers staying with us for long periods of time with the hope to bring in additional camping for people visiting the city of Minot and the state of North Dakota throughout the summer months.

Estimated Number of People Served:

These full-service camping spaces will accommodate fair volunteers, fair staff, fair vendors, Nodak Speedway Racers, Norsk Hostfest staff and vendors, and anyone who visits the city of Minot and camps at the ND State Fairgrounds. The ND State Fairgrounds sees anywhere from 4,000 to 5,000 campers each year. Some of these campers stay for over a month.

Total Estimated Project Cost: \$50,000

Assistance Requested: \$25,000

Applicant's Contribution: \$25,000

Additional Sources of Funding: There will be no additional sources of funding or financial assistance for this project.

Federal Funds Utilized:

There will be no federal funds utilized for this project.

Describe the Project Site As Is and Proposed Changes:

Currently, this full-service campsite is full-service electric and requires a water truck to fill with a sewage dump on location. We would like to provide each camping spot with their own water and sewage lines to better accommodate those staying for long periods of time.

Annual Maintenance Budget: \$313,275

Maintenance Provided By: North Dakota State Fair Association

I Hereby certify that funds in the amount of \$50,000 are available for this project.

Re: Garrison Diversion Cons. Dist. Matching
Recreation Grant Program

To: Garrison Diversion Conservancy District
PO Box 140
Carrington, ND 58421

From: Travis Schmit, PE, CFM
Asst. Co. Engineer

Ward County Highway Department
PO Box 5005
Minot, ND 58702-5005

Dear Garrison Diversion Conservancy District,

Ward County Parks is excited to continue project improvements at one of its newest parks in Ward County. Talbott Court use to be a nursery back in the early years and then it was a mobile home park for many years prior to the flood of 2011. Since the flood, the property has been purchased as a mitigation site and is now a park for Ward County. The old road network has been preserved and is used as a walking trail. In prior submittals, the purchase of park benches and trash receptacles have been installed, along with a canoe/kayak launch facility. Now we are on our last major improvement for this park being a nine (9) hole disc golf course and four (4) mesh metal picnic tables.

As always, the support from Garrison Diversion Conservancy District on past projects along with proposed projects is always appreciated. Thank you for being a long time sponsor of our parks for the Ward County community.

Sincerely,

Travis Schmit, PE, CFM

Prepared by:
Emily Kreil, Project Designer
EAPC Architects Engineers, PC

Description of Project Features:

We would like to build an outdoor pool for our community of close to 30,000 people that we believe will also bring in families from all of Williams County looking for a family-oriented excursion. Williston is a community that has experienced rapid growth and change due to the oil and gas industry. Families have moved in for job opportunities not offered in other parts of the state/country, and we believe an outdoor pool is just one way to provide a higher quality of living for those who call Williston home. We have been gifted a parcel of land with an existing parking lot from the City of Williston, we have raised close to \$5 million dollars in funds towards the project, we are partnering with other community stakeholders, and we are confident that we can create an outdoor recreation area for people of all ages to enjoy. This project will create jobs for youth, will provide young people with a healthy, active outlet for summer months and will give families a place to gather and recreate.

Williston Water World will consist of a leisure pool with a zero depth entry (also known as "beach-entry pool or walk-in pool") to allow easy access for every age and ability. The leisure pool will include spray and play features ideal for young children. It will then lead to a deeper area and a lazy river. The lazy river will also include spray and dump features for even more fun!

We have secured funding for two large waterslides, they will be 26 feet tall, stand alone run out slides.

We will build a pool building including a front office for check-in, lifeguard room, men's and woman's locker rooms, family changing rooms, concessions and the necessary pump and utility rooms. We have designs for storage lockers outside to save on cost and expedite the time it takes to get to jump into the pool! Also, due to extreme demand, we will include two party rooms for things like birthday parties. These rooms will significantly contribute to financial feasibility of the facility.

AAFEFT ADDITION TO THE CITY OF WILLISTON NW1/4 SW1/4, SECTION 14, TOWNSHIP 154 NORTH, RANGE 101 WEST WILLIAMS COUNTY, NORTH DAKOTA

DESCRIPTION OF SUBDIVISION

A PARCEL OF LAND LOCATED IN THE NORTHWEST 1/4 OF THE SOUTHWEST 1/4 OF SECTION 14, TOWNSHIP 154 NORTH, RANGE 101 WEST OF THE FIFTH PRINCIPAL MERIDIAN, CITY OF WILLISTON, WILLIAMS COUNTY, NORTH DAKOTA.

MORE PARTICULARLY DESCRIBED AS FOLLOWS: HAVING A BASIS OF BEARING OF S 0°06'12" E FROM THE WEST-NORTHWEST CORNER OF BLOCK 2 OF THE LONGVIEW ADDITION TO THE CITY OF WILLISTON TO THE NORTHWEST CORNER OF BLOCK 4 OF SAID LONGVIEW ADDITION, SAID PARCEL BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: BEGINNING AT SAID WEST-NORTHWEST CORNER OF BLOCK 2 OF THE LONGVIEW ADDITION; THENCE S 0°06'12" E, ON AND ALONG THE WEST LINE OF SAID BLOCK 2 OF THE LONGVIEW ADDITION, A DISTANCE OF 56.82 FEET TO A POINT ON THE NORTHERLY RIGHT-OF-WAY LINE OF THE WEST-NORTHWEST CORNER OF BLOCK 4 OF SAID LONGVIEW ADDITION; THENCE S 0°06'12" E, ALONG THE NORTHERLY RIGHT-OF-WAY LINE OF SAID BLOCK 4 OF SAID LONGVIEW ADDITION, A DISTANCE OF 180.894 FEET TO THE POINT OF BEGINNING. CONTAINING 180.894 SQUARE FEET (4.148 ACRES) MORE OR LESS. THIS PARCEL IS SUBJECT TO ALL EXISTING EASEMENTS AND IS TO BE KNOWN AS 'AAFEFT ADDITION' TO THE CITY OF WILLISTON, LOCATED IN THE NORTHWEST 1/4 OF SECTION 14, TOWNSHIP 154 NORTH, RANGE 101 WEST, OF THE FIFTH PRINCIPAL MERIDIAN, WILLIAMS COUNTY, NORTH DAKOTA.

APPLICATION

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 2/15/2023	Project Name Harwood Splash Pad
Sponsoring Agency Name Harwood Park Board	
Authorized Representative/Title Ashley Hansen/Park Board President	
Sponsoring Agency Address 108 Main St Harwood ND, 58042	
Phone 218-205-4848	Email kross33.kr@gmail.com
Contact Name for Project Kelly Johnson (if different than above)	
Address 108 Main St Harwood ND 58042	
Phone 218-205-4848	Email kross33.kr@gmail.com
Project Location North Acres Park, Harwood ND	

Description of Project Features (if more space is required, please provide separate documentation)

As the population continues to increase in our town, we are looking for ways to update our current park space. Having the Harwood Splash Pad, encourages use of an area of the park that hardly is used, allows for an outdoor cool down space where groups could gather, families, and grandparents with grandchildren. This specific splash pad has a total area of 1963 sq ft (attached) is ADA handicap accessible, that includes a water table are and in-ground and above ground water features. The city engineer with Moore Engineering was contacted about the feasibility of the project, which included a concrete estimate (attached.) Installation and plumbing will be done by volunteers from the Harwood community. Maintenance and water costs will be done and paid for by the Harwood Park Board. City approval was given

Justification of Project

(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration into a Comprehensive Recreation Plan, Etc.)

Estimated Number of People Served 818 Harwood Citizens of all ages will be served (more as the population grows)

Total Estimated Project Cost \$ 112,027.00
(include volunteer/in-kind donations/work)

Assistance Requested \$ 28,006.75
(No more than 25% of project cost unless multi-county sponsored)

Applicant's Contribution \$ 84,010.75

Additional Sources of Funding

Current certified amount, along with Donations, Fundraising, and additional grant recipients are sources of funding for this project.

Federal Funds Utilized 0.00
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.) Current area is a green space. Will need to have dirt removal and concrete work (estimated below) to the proposed area.
Annual Maintenance Budget \$ 1000
Maintenance Provided By City of Harwood
I Hereby certify that funds in the amount of \$ 33,681.76 are available for this project.

Acceptance of Proposal The above prices, specifications, terms, and conditions are satisfactory and are hereby accepted by Purchaser. Dakota Playground is authorized to do the work as specified and Purchaser shall make payment as outlined.

Add 3% to Total for Credit Card Purchases

Purchaser

Purchaser agrees to indemnify and hold harmless Dakota Fence Company d/b/a Dakota Playground ("Dakota Playground") and its agents from and against any and all claims, liabilities and damages, including outside and in-house attorneys' fees and costs, arising from or related to any failure to comply with building codes or other restrictions; encroachment or interference with any easement; damage to any improvements, including sprinklers or utilities; frost heave; personal injury or death; failure to maintain or inspect the playground equipment or product; removal of playground equipment or products. Purchaser agrees that Dakota Playground's liability shall not exceed the amount paid to it under this Proposal. Dakota Playground shall not be liable for any direct, indirect, special, incidental, or consequential damages. Any alteration or deviation from this Proposal requires Dakota Playground's prior written consent and if approved, shall automatically become part of and subject to this Proposal. Any additional costs from any such change shall result in an extra charge, which Purchaser agrees to pay. All playground equipment and product must be properly maintained and installed over a surface that provides adequate fall protection. For details, refer to the "Handbook for Public Safety" at www.cpssc.gov and the manufacturer. Purchaser assumes sole responsibility to routinely inspect the playground equipment or product for signs or wear, vandalism, or other unsafe conditions. Purchaser agrees to pay Dakota Playground's outside and in-house attorneys' fees and costs in the collection and enforcement of this Proposal. This Proposal is contingent upon strikes, accidents, or delays beyond Dakota Playground's control and supersedes all prior written or oral agreements. Purchaser agrees to carry all necessary and required insurance. Dakota Playground's workers are fully covered by Workers Compensation Insurance or other required insurance. All playground equipment or product remains the property of Dakota Playground until paid for by Purchaser and Purchaser authorizes Dakota Playground to remove the same and charge Purchaser for the playground equipment or product and their removal if payment is not made per the terms of this Proposal. Purchaser agrees to pay 1.5% per month on all past due accounts. Any project that is considered custom or has special order materials is not returnable and therefore not fully refundable. A minimum of 25% restocking fee will apply with certain items being subject to higher restock fees as established from time to time by Dakota Playground.

Project Location	

Description of Project Features (if more space is required, please provide separate documentation)

The Tower City Park Board would like to update our facilities to accomodate an older population. Our communities children are growing up and desire more age appropriate activites in our community park. We would like to include a pickle ball court as well as a 4-square space. These activites will reach our adolescent population and encourage them to live a more active lifestyle. This would also be available for our K-12 school that is located in town. They have their own park, but do not have these amenities available to them.

Justification of Project (Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	250
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ 18,799
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ 4,699.75
Applicant's Contribution	\$ 14099.25
Additional Sources of Funding	none

Federal Funds Utilized None
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.) Existing field utilized as an ice rink. It will be leveled out and include installation of pickle ball court and 4-square space.
Annual Maintenance Budget \$ 4,000
Maintenance Provided By Tower City Park Board
I Hereby certify that funds in the amount of \$ 14,099.25 are available for this project.

PROJECT	Lincoln Drive Park Family Games Area
PROPOSAL REQUEST	\$ 10,000.00

ABOUT LINCOLN DRIVE PARK

Lincoln Drive Park is a large park adjacent to the Red River which was created in an area that was once a neighborhood before the flood of 1997. The park is a popular spot for weddings, family gatherings and graduations. Amenities at the park include a playground, horseshoe pits, community room/warming house, sledding hill, dog park, ice skating rink, frisbee golf course, picnic shelters for rental, bench seating in various areas, and landscape areas. The Greenway Bike Path runs through the park and there is a boat ramp to the Red River.

OUR REQUEST

Near the entrance of this large and popular park in Grand Forks are nine horseshoe pits surrounded by a concrete border. An aerial view of the pits is included with this grant application. We will refer to this specific tract as a *family games area*. This area has been worn down with time and has surpassed its useful life. An assessment of the family games area concluded that a better use of the space would be to remove most of the horseshoe pits and provide other family game type structures in their place.

A plan has been drawn up by the Grand Forks Park District to restructure the family game area with three horseshoe pits, two cornhole pits, and several other concrete gaming structures such as foosball, disc-connect, ladder-golf, ping pong and GaGa ball. A rough drawing of the current plan is included with this grant application. Pictures, proposals and quotes for the gaming items have also been included with this grant application.

Once the new family gaming structures are constructed, some fencing and signage will also be added along with the potential of more tables and grills depending on space and aesthetics.

The Grand Forks Park District is asking the Garrison Diversion Conservancy District to help finance 25% of the costs of the construction of this new family games area at Lincoln Drive Park. The remaining costs of the project will be financed by the Grand Forks Park District.

<u>BUDGETED ITEM</u>	<u>AMOUNT</u>
Concrete Work at Family Games area	\$ 5,500
Two sets of concrete Corn-hole boards	\$ 2,700
One Foosball table	\$ 5,900
One Ladder toss	\$ 825
One Disc-connect	\$ 3,350
Ping Pong	\$ 5,600
GaGa Ball Pit	\$ 4,700
Fencing	\$ 5,000
Tables/Grills	\$ 5,000
Signage & Miscellaneous	\$ 1,425
TOTAL	<u>\$ 40,000</u>

APPLICATION

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 2/28/23	Project Name Upham Park Restrooms
Sponsoring Agency Name City of Upham	
Authorized Representative/Title Rachel Takala	
Sponsoring Agency Address 111 C Ave S	
Phone 701-833-3910	Email uphamcity@srt.com
Contact Name for Project same (If different than above)	
Address	
Phone	Email
Project Location Upham City Park (C Ave/Fouts)	

Description of Project Features (if more space is required, please provide separate documentation)

The city of Upham recently update the play equipment through a cooperative effort with GDCD, Friends of the Upham Fire Protection District, Enbridge, and Farden Construction. In an effort to continue updating the city park we are planning to demolish current restroom building and replace it with a new construction. New facility would be ADA compliant, with separate mens and womens restrooms each to include a shower stall. In addition the structure will have a utility room for heating/cleaning and water heater, and if funds allow we would like to include a laundry area with a set of coin operated washer/dryer. The city park is utilized during the summer by several campers/hunters and these additions would improve our amenities. Currently we have 4 sites that offer electric and water, and 2 full hook-up.

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	~200 people would be served, including residents of all ages and demographics.
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ \$40,000.00-\$50,000.00
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ \$10,000.00-\$12,500.00
Applicant's Contribution	\$ \$10,000.00-\$17,500.00
Additional Sources of Funding	
The Friends of the Upham Fire Protection District have donated \$20,000.00 to be used towards this project. The city is also applying for an AARP Community Challenge grant at this time.	

Federal Funds Utilized No federal funds have been utilized for this project.

Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.)

Currently the park has a cinderblock building with a single mens, and single womens restroom. The building has aged and is starting to crack and crumble. Updating the structure would make it ADA accessible and include showers.

Annual Maintenance Budget \$ 1000.00

Maintenance Provided By City of Upham

I Hereby certify that funds in the amount of \$ 20,000.00 are available for this project.

Authorized Signature of Sponsoring Agency  *Rachel Takala*

Description of Project Features (if more space is required, please provide separate documentation)

Our city park is in need of some updates and improvements. The city will hold it's All School Reunion in July, an event that happens regularly since the school closed in 2001. We anticipate 300-400 people in town for the activities and would love to show off some much needed improvements. While our town population is small, many residents here have large extended families and utilize the park space regularly. We are looking to install solar lighting around the basketball court, a handicap accessible swing, a bucket swing, frisbee golf, tether ball, and a Funhoop game, as well as replace chains and seats on existing swings, and rubber mats underneath the swingsets.

Justification of Project	
<small>(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)</small>	
Estimated Number of People Served	300-400
Total Estimated Project Cost <small>(Include volunteer/in-kind donations/work)</small>	\$ 3500.00
Assistance Requested <small>(No more than 25% of project cost unless multi-county sponsored)</small>	\$ 875.00
Applicant's Contribution	\$ 2500.00
Additional Sources of Funding	

Federal Funds Utilized none
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.) Current swing sets need to be replaced. Sandy areas will be level and rubber mats will be installed under swings. Brush will be cleared away from basketball court areas and solar lights will be installed to light both ends of court.
Annual Maintenance Budget \$ 100
Maintenance Provided By City Council members & families, volunteer community members
I Hereby certify that funds in the amount of \$ 2500.00 are available for this project.
Authorized Signature of Sponsoring Agency SIGN HERE

Recreation Grant Program

From: KRISTEN STRIHA <cityofbutte@gmail.com>
Sent: Tuesday, February 28, 2023 7:22 PM
To: Recreation Grant Program
Subject: recreation grant application
Attachments: 2-6-23 minutes.docx; Grant app page 1.pdf; Grant app page 2.pdf

Good evening,

The Butte City Council is looking to make some improvements to our City Park. The school closed in 2001, but the park continues to host families for quick games of basketball, picnics, and swinging in the shade. As we prepare for our upcoming All-School Reunion, we feel like now would be an excellent time to move ahead with some simple improvements.

We estimate about \$500 dollars of in-kind labor will be used in the effort to install several new permanent games, solar lighting on the basketball court, remove and reinstall updated swings.

We thank you in advance for your consideration in helping us with this project!

Kristen Striha
City of Butte, Auditor

FEB 27 2023

APPLICATION**Garrison Diversion Conservancy District Matching Recreation Grant Program**

Date of Application 02/22/23	Project Name Mohall Splashpad Phase II
Sponsoring Agency Name Mohall Park District/City of Mohall	
Authorized Representative/Title Cheryl Overby, Mohall Park District Clerk	
Sponsoring Agency Address PO Box 476	
Phone 701-756-6464	Email cityhall@srt.com
Contact Name for Project (if different than above)	
Address	
Phone	Email
Project Location Mohall City Park	

Description of Project Features (if more space is required, please provide separate documentation)

The Mohall Splashpad Phase II project includes the need for a 2" waterline to be installed to service the new splashpad. The existing 1.5" waterline at the location will not provide the amount of water needed to make the bathhouse and splashpad function simultaneously. The most cost-efficient option is to bore a new 2" line from the water main to the manifold cabinet of the splashpad and will only be used to supply the splashpad.

Justification of Project

(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)

Estimated Number of People Served	696
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ 27,500.00
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ 6,875.00
Applicant's Contribution	\$ 20,700.00
Additional Sources of Funding Fundraisers, donations and grants for the entire project.	

Federal Funds Utilized None
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.) The baby pool was removed in October 2022 to prepare the ground for the splashpad installation which is projected for May 2023.
Annual Maintenance Budget \$ 6,000.00
Maintenance Provided By Mohall Park Board and park staff
I Hereby certify that funds in the amount of \$ 220,500.00 are available for this project.
Authorized Signature of Sponsoring Agency SIGN HERE 
Printed Name/Title Cheryl Overby, Mohall Park District Clerk
Date 2/22/23

APPLICATION

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 2-22-23	Project Name Fairmount Park Playground Project 2023
Sponsoring Agency Name Fairmount Park Board	
Authorized Representative/Title Brenda Adolf / President	
Sponsoring Agency Address P.O. Box 254 Fairmount, ND 58030	
Phone 701-474-5717	Email bladolf59@gmail.com
Contact Name for Project (If different than above) Brenda Adolf	
Address P.O. Box 123 Fairmount, ND 58030-0123	
Phone 701-474-5717	Email bladolf59@gmail.com
Project Location Between 4 th St N. and 6 th St N. and Main Ave. and 3 rd Ave. N. Parcel lots # 60, 61, 62 and N 2/3 of lot 63 and 37-46.	

Description of Project Features (if more space is required, please provide separate documentation)

Install new free standing play system items to replace unsafe items that have been removed for the safety of every child that uses our playground for recess, before or after school functions, and sports activities. Co-op activities such as Baseball, Softball, midgets, T-Ball and Football bring visiting families and provide activities for non-participating siblings, that are fun and safe.

Justification of Project

(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)

Estimated Number of People Served	The park serves families from Fairmount, Campbell-Tintah, MN, and Rosholt, SD, and families from visiting teams.
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ 39,000.00
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ 9,750.00
Applicant's Contribution	\$ 16,000.00 (plus \$13,250 in Donations and fund-raising)
Additional Sources of Funding	Fairmount Fire Dept. / Farmers Union Oil-Store / Land-O-lakes / Horizon Milling / Cargill / Fairmount School / Red River Communications / ND Community Foundations / Co bank

Federal Funds Utilized —
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.) We will relocate one play system item to make more room in the play area for these new systems for user safety.
Annual Maintenance Budget \$ 4,000.00
Maintenance Provided By Fairmount Park Board and Maintenance Personnel
I Hereby certify that funds in the amount of \$ 16,000.00 are available for this project.
Authorized Signature of Sponsoring Agency  Brenda Adolf
Printed Name/Title Brenda Adolf / President
Date 2-24-23

PROJECT COST ESTIMATES (Include volunteer/in-kind donations and labor)		
Item	Units	Estimated Cost
Proposal - 11-11-22 (see attached)		
Estimated Job Cost: Equipment & Inst. Labor		\$ 38,000.00
Relocation of one playsystem item, with area preparation, pea rock, misc.		\$ 1,000.00
Total		\$ 39,000.00

APPLICATION MUST INCLUDE THE FOLLOWING:

1. Authorized signature of sponsoring agency
2. Resolution or minutes approving the project *will e-mail*
3. City or county plat map of the proposed project location
4. Breakdown of estimated expenses

QUESTIONS?

Questions may be directed to the Garrison Diversion Conservancy District at 652-3194 or the District director from the applicant's county.

READY TO SUBMIT?

Mail completed application with required documentation to Garrison Diversion Conservancy District, PO Box 140, Carrington, ND 58421 or email to recreation@gdcd.org

APPLICATION

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 2/10/2023	Project Name Main Street Pocket Park
Sponsoring Agency Name City of Forman	
Authorized Representative/Title Sara Dux/City Coordinator	
Sponsoring Agency Address 349 Main Street, Forman, ND 58032	
Phone 701-388-2287	Email edc@formannd.com
Contact Name for Project (If different than above)	
Address	
Phone	Email
Project Location 316 Main Street, Forman ND	

Description of Project Features (if more space is required, please provide separate documentation)

Formans downtown hang-out spot was created in 2019 with help from funds provided by AARP ' s Green Space Grant. Paige Cary, former City Coordinator for the City of Forman, worked with downtown business and the Forman Community Club to make the space a special place to relax and to create a gathering place that the community can utilize during functions held downtown. The City of Forman is committed to its downtown green space. By expanding the offerings at our current location, Forman residents can further enjoy the Main Street Pocket Park. Conveniently located between Central Grocery and the Sargent County Health District buildings, the park currently lacks ample shade, welcoming bright colors, sufficient seating and a " completed " atmosphere.

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	up to 500 annually
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ 8850
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ 2000
Applicant's Contribution	\$ 2000
Additional Sources of Funding	
A summer fundraising event may be held to raise funds to complete the project.	

Federal Funds Utilized 0
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.) Currently, the pocket park has few amenities and is mostly a partially empty dirt lot. Additions to the park would include some type of gazebo/shelter, more seating, and informational placards with historical and other Forman facts.
Annual Maintenance Budget \$ 100
Maintenance Provided By City of Forman maintenance staff
I Hereby certify that funds in the amount of \$ 2000 are available for this project.
Authorized Signature of Sponsoring Agency SIGN HERE 
Printed Name/Title Sara Dux/ Forman City Coordinator
Date 2/10/23

PROJECT COST ESTIMATES (Include volunteer/in-kind donations and labor)		
Item	Units	Estimated Cost
gazebo/shelter for shade to create picnic area at pocket park	1	\$4750
'walking history' placards/informational panels	3	\$2300
rock/gravel for ground cover	20yds	\$1800

APPLICATION MUST INCLUDE THE FOLLOWING:

1. Authorized signature of sponsoring agency
2. Resolution or minutes approving the project
3. City or county plat map of the proposed project location
4. Breakdown of estimated expenses

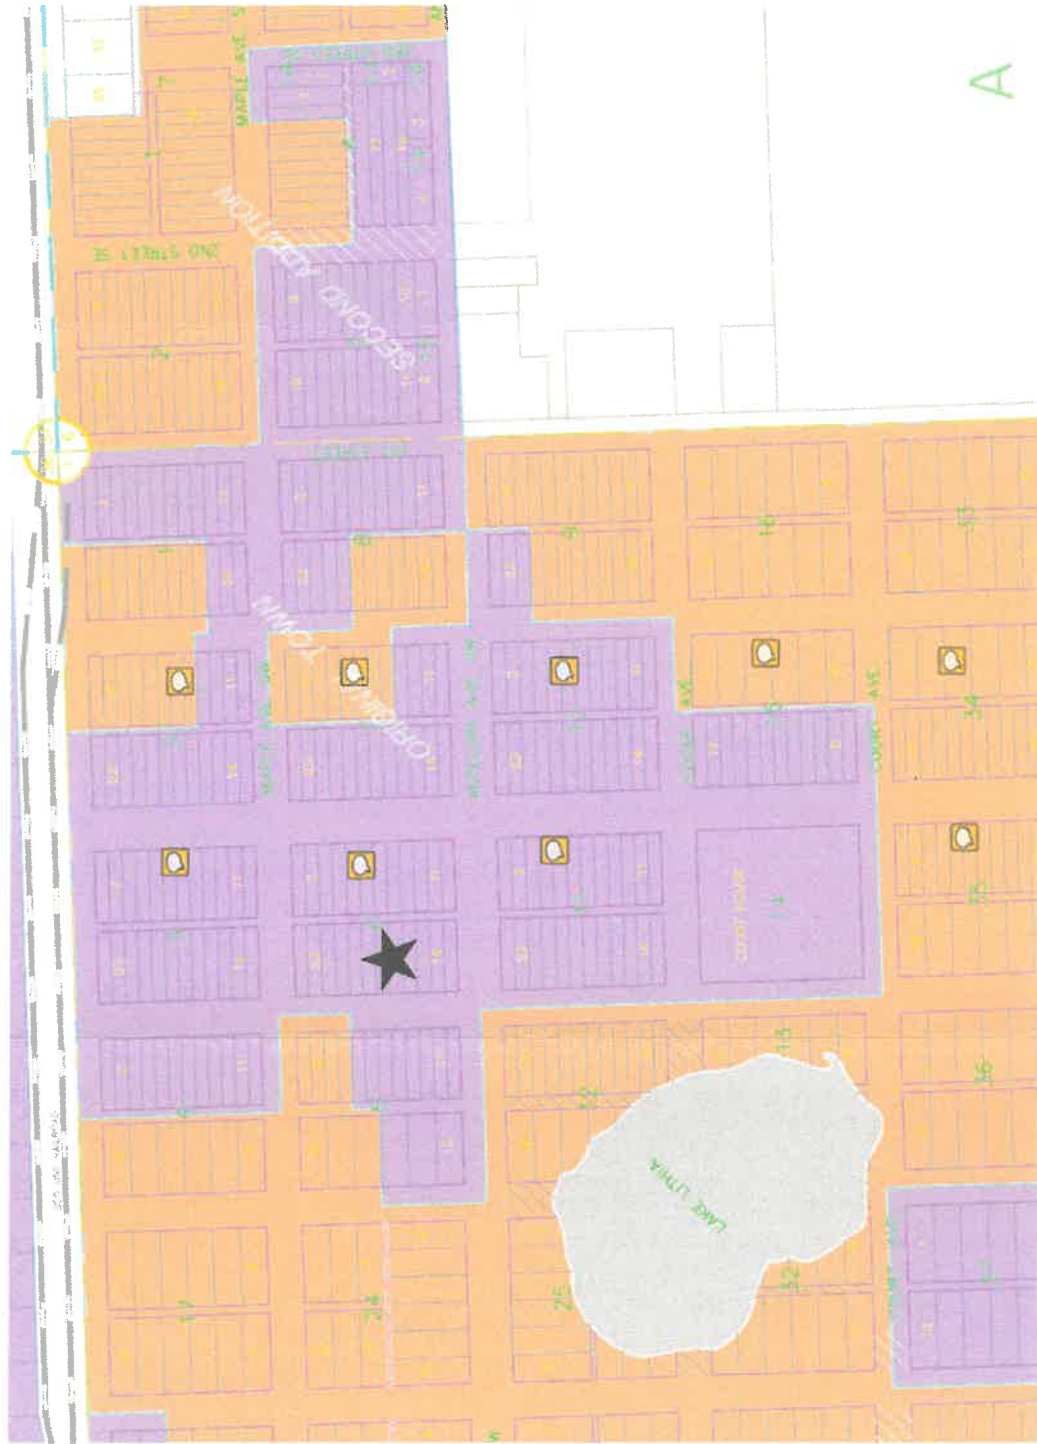

QUESTIONS?

Questions may be directed to the Garrison Diversion Conservancy District at 652-3194 or the District director from the applicant's county.

READY TO SUBMIT?

Mail completed application with required documentation to
Garrison Diversion Conservancy District, PO Box 140, Carrington, ND 58421 or email to recreation@gdcd.org

★ Forman's Main Street Pocket Park is located at Block 7, Lot 18, Forman Original Townsite

APPLICATION

Garrison Diversion Conservancy District Matching Recreation Grant Program

Date of Application 02/27/23	Project Name Finley Park Playground Equipment Replacement Project
Sponsoring Agency Name CITY OF FINLEY PARK DISTRICT	
Authorized Representative/Title CHAD ABERLE/TREASURER	
Sponsoring Agency Address PO BOX 381, FINLEY, ND 58230	
Phone 701.789.1291	Email caberle@bravera.bank
Contact Name for Project (If different than above) Laurie Tuite - Steele County JDA Coordinator	
Address PO Box 451, Finley, ND 58230	
Phone 701.524.2645	Email steelejda@mlgc.com
Project Location 206 Park Avenue S in Finley, ND	

Description of Project Features (if more space is required, please provide separate documentation)

The purpose of this project is to remove and replace any barriers that currently exist with the City Park and playground that makes it inaccessible to children/parents who are handicapped or have limited mobility. We will remove the old equipment and install new ADA compliant playground equipment and have the layout such that all equipment is in one area and easily accessible. A ramp will also be added to allow for easier navigation from vehicle to the park/playground. Our goal for this project is to provide our community members and visitors a safe place to play/relax/recreate that has no barriers or limitations. We want it so all children, parents, etc. have equal opportunity to enjoy the outdoors and participate in park activities when they occur.

Justification of Project	
(Estimated Number of People Served, Age Categories Which May Benefit, Description of Integration Into a Comprehensive Recreation Plan, Etc.)	
Estimated Number of People Served	Approximately 500 people with a primary focus on children and youth.
Total Estimated Project Cost (Include volunteer/in-kind donations/work)	\$ 110,000
Assistance Requested (No more than 25% of project cost unless multi-county sponsored)	\$ 13,750
Applicant's Contribution	\$ 26,250
Additional Sources of Funding	
\$55,000 Land and Water Conservation Grant, \$10,000 Patron Donation (granddaughter is handicapped), \$5,000 Finley Community Endowment Fund. Will continue to seek other funding to reduce applicant contribution and cover overages.	

Federal Funds Utilized	We have been awarded but not yet received a \$55,000 from LWCF through State Park & Rec.	
Describe the Project Site As Is and Proposed Changes (Tree Removal, Drainage Filled, Etc.)	Minimal site work. Will landscape to make contiguous and more functional. No trees removed or drainage altered.	
Annual Maintenance Budget	\$ 10,000. Will be included as part of the overall park repairs & maintenance budget.	
Maintenance Provided By	CITY OF FINLEY PARK DISTRICT	
I Hereby certify that funds in the amount of \$ 96,250 are available for this project.		
Authorized Signature of Sponsoring Agency	 SIGN HERE	
Printed Name/Title	CHAD ABERLE/ TREASURER	
Date	2/27/2023	

PROJECT COST ESTIMATES		
(Include volunteer/in-kind donations and labor)		
Item	Units	Estimated Cost
SITE WORK		\$5,000
DEMOLITION AND REMOVAL		\$1,000
EQUIPMENT		\$62,045
INSTALLATION OF EQUIPMENT		\$22,000
MISCELLANEOUS/CONTINGENCIES		\$19,955

APPLICATION MUST INCLUDE THE FOLLOWING:

1. Authorized signature of sponsoring agency
2. Resolution or minutes approving the project
3. City or county plat map of the proposed project location
4. Breakdown of estimated expenses

Hello Chad,

Here is a design that I came up with for your park. We would need to verify the dimensions, but I think this would fit within the space you have available after removing the items we discussed. The cost for the equipment shown would be \$62,045.00 materials delivered. The bordering would be \$4,660.00, that includes a full ADA ramp, same type of bordering that you currently have around the equipment, black poly. You would need about 175-185 cubic yards of engineered wood fibers, the cost for that delivered would be approximately \$6,500.00. These costs for the bordering and wood fibers are based on current pricing, I added a little to them to try to cover the for 2023 increases, but once it gets closer to the time of purchase we would need to make sure all costs are updated, I think for grant purposes this should be fine. The good thing about the structure I used is that it comes in 2 phases, so if all the money wasn't available at one time we could do all the other work and leave the right side open for expansion and then once funding became available we could add phase 2. The structure total is \$44,562.00, phase 1 is \$18,165.00 and phase 2 is \$26,397.00. Like I said, the prices I gave you are inflated to reflect 2023 prices, this could change but overall I think you are safe to use these as budgetary numbers. When writing grants I tell everyone to add 30% to the materials costs to account for installation. The supervisory option for 1 day is \$1,765.00, if you had 10-12 good volunteers you could get close to knocking this out in 1 day, whatever would be left to do, like the bordering and surfacing and maybe some finishing work wouldn't require a supervisory to be on site, he would leave you with the knowledge to finish up. Obviously we can discuss all this in more detail, I wanted to get you over some preliminary numbers and a design to look at to get your boards feedback. Hope this helps, call or email me with questions.

Have a great weekend!!!!
