The meeting was recorded to assist with compilation of the minutes.

READING OF THE MINUTES

Motion by Director Blanchfield to dispense with the reading of the August 19, 2024, MR&I Committee minutes and approve them as distributed. Second by Director Metzger. Upon voice vote, motion carried.

AGENDA CHANGE

Chairperson Kaiser indicated four additional applications for funding assistance from the Water Supply Assistance Grant Program (WSAGP) were received since the meeting materials were compiled and provided to the committee. If the committee members agree to adding these applications to the agenda for consideration today, she suggested a motion be made to do so.

Motion by Director Walter adding the four new applications to the agenda. Second by Director Rogers. Upon voice vote, motion carried.

REVIEW OF GRANT APPLICATIONS

Rural Water Requests

Southeast Water Users District

Chairperson Kaiser stated eight WSAGP applications were submitted for the unincorporated City of McLeod. She referred to the map showing where these hookups are located, which are all located in Ransom County.

Marshall Braaten is requesting \$1,875 through Southeast Water Users District to install a rural water hookup to his residence. Total estimated project cost is \$6,250. A copy of the grant application is attached to these minutes as Annex I.

Alice Johnson is requesting \$3,662 through Southeast Water Users District for a rural water hookup at her residence. The total estimated project cost is \$9,824. A copy of the grant application is attached to these minutes as Annex II.

Tim Kennedy is requesting \$1,875 through Southeast Water Users District for a rural water hookup at his residence. The total estimated project cost is \$6,250. A copy of the grant application is attached to these minutes as Annex III.

The McLeod Museum is requesting \$5,350 through Southeast Water Users District for a rural water hookup. The total estimated project cost is \$13,200. A copy of the grant application is attached to these minutes as Annex IV.

Scott Morris is requesting \$3,300 through Southeast Water Users District for a rural water hookup to his residence in McLeod. The total estimated project cost is \$9,100. A copy of the grant application is attached to these minutes as Annex V.

Jerry Olerud is requesting \$2,903 through Southeast Water Users District for a rural water hookup at his residence in McLeod. The total estimated project cost is \$8,305. A copy of the grant application is attached to these minutes as Annex VI.

Paul Ptacek is requesting \$4,420 through Southeast Water Users District for a rural water hookup at his residence in McLeod. The total estimated project cost is \$11,340. A copy of the grant application is attached to these minutes as Annex VII.

Dean Sandvig is requesting \$2,912 through Southeast Water Users District for a rural water hookup at his residence in McLeod. The total estimated project cost is \$8,324. A copy of the grant application is attached to these minutes as Annex VIII.

Stutsman Rural Water District

Hidden Ponds/Paul Sova is requesting \$2,750 through Stutsman Rural Water District for a rural water hookup for a hunting/fishing lodge near Pelican Point in Stutsman County. The total estimated project cost is \$8,000. A copy of the grant application is attached to these minutes as Annex IX.

All Seasons Water Users District

Olen Hagen is requesting \$10,000 through All Seasons Water Users District for a rural water hookup to his residence in Bottineau County. The total estimated project cost is \$40,500. A copy of the grant application is attached to these minutes as Annex X.

James Mullins is requesting \$10,000 through All Season Water Users District for a rural water hookup to his residence in Bottineau County. The total estimated project cost is \$113,000. A copy of the grant application is attached to these minutes as Annex XI.

Southeast Water Users District

Aaron and Abigail Lyon are requesting \$4,700 through Southeast Water Users District for a rural water hookup to their residence in Sargent County. The total estimated project cost is \$11,900. A copy of the grant application is attached to these minutes as Annex XII.

East Central Regional Water District

Marlin Ingebretson is requesting \$10,000 through East Central Regional Water District for a rural water hookup to his residence in Traill County. The total estimated project cost is \$22,710. A copy of the grant application is attached to these minutes as Annex XIII.

Consideration of Funding

Director Walter asked what amount of funding is available in the Water Supply Assistance Grant Program for project allocation.

Ms. Mooridian replied \$300,000 per year is made available for the grant program. In 2024, \$202,272 has been awarded; this leaves \$97,728 to be allocated today.

Motion by Director Rogers and second by Director Blanchfield to approve funding in the amount of \$63,747 for allocation to the following rural water projects:

Up to 50 percent of the local, non-federal share of the eligible costs not to exceed \$1,875 to Southeast Water Users District for a rural water hookup to a residential home for Marshall Braaten in McLeod located in Ransom County.

Up to 50 percent of the local, non-federal share of the eligible costs not to exceed \$3,662 to Southeast Water Users District for installation of a rural water line to the Alice Johnson residence in McLeod located in Ransom County.

Brent Brinkman, Manager
 Cass Rural Water Users District
 PO Box 98
 Kindred, ND 58051-0098

Dear Brent:

On May 10, 2023, Garrison Diversion's MR&I Committee approved a matching water supply assistance grant not to exceed \$10,000.00 to Alex Pfeifer as a part of the Cass Rural Water Users District. The two-year deadline is soon approaching, and our records indicate this project has not yet been completed.

The MR&I Committee will meet in May to review outstanding grants and consider new requests. Please contact Mr. Pfeifer to see if he intends to complete this project and the timeframe needed to do so. If we have not received a response by May 1, 2025, we will assume this project will not be completed and the \$10,000.00 in funding will be returned to the grant program for future distribution.

If you have any questions, please contact me at 701.652.3194 or at merrim@gdcd.org.

Sincerely,

Merri Mooridian

Water Supply Assistance Grant Program

Rural Water System New Customer Hookup Guidelines

APPLICATION DEADLINES: MAY 1 OR AUGUST 1 (POSTMARKED OR ELECTRONICALLY RECEIVED)

ELIGIBILITY

- Applicant and Rural Water System (sponsor) must reside within one of the 28-member counties of the Garrison Diversion Conservancy District

ELIGIBLE PROJECTS & GRANT AMOUNTS

- New customer hookups
 - 50% cost share for costs exceeding \$2,500 with a maximum reimbursement of \$10,000 per customer hookup (First \$2,500 is at the applicant's expense.)
 - Example: Total project cost \$32,000 - \$2,500 = \$29,500 (\$10,000 max)
 - Example: Total project cost \$12,000 - \$2,500 = \$9,500 (\$4,750 max)
 - Example: Total project cost \$2,300 (no cost share as it is under \$2,500)

Tiering Preference: Should it become necessary to prioritize grant requests, the following criteria will be used in this order:

1. Residential Use
2. Livestock Use
3. Commercial/Business Use

INELIGIBLE PROJECTS / EXPENSES

- System expansion projects
- Capital improvement projects
- Irrigation needs such as golf courses, parks, etc.
- Projects already receiving state or federal grant awards or loans
- Repayment of debt on eligible projects
- Crop damages
- Meter assembly, to include but not limited to, meter, pressure reducing valve and automated reading system
- Rural Water System membership fees

REIMBURSEMENTS

- Rural Water System will be reimbursed upon receipt of a paid invoice and confirmation that the customer is connected to the system. Reimbursements will not be made to individual applicants; the Rural Water System will need to reimburse the applicant upon receiving Garrison Diversion grant dollars.
- Reimbursement must occur within a two-year period of funding approval, or the grant funding will expire.

Describe Project and Location

Rural water service to Casey Township, Section 31, NE Quarter. The hookup consist of 300 ft of new line installed.

This project was done in October of 2024 but didn't know about the grant program. The invoice has been paid. The billing went to Zac Nord, who is Lydia's Fiance. I have attached a statement from Lydia to that effect.

Hi,

I own the property, Zack is my fiancé. Daleyn, who did the work, billed it to Zack since he's done work for him before even tho it's my property and I paid for it.

Thanks,

Lydia
